Handwriting

Your child has been learning the movement patterns that are needed to learn to form letters. In this pack there are the Peggy Lego pre writing sheets. It is important to remind your child to start in the right spot, and to hold their pencil correctly.

Your child is not asked to say the rhyme that goes with the movement. This is an adult verbal cue to help remind the child of which way to move their pencil.

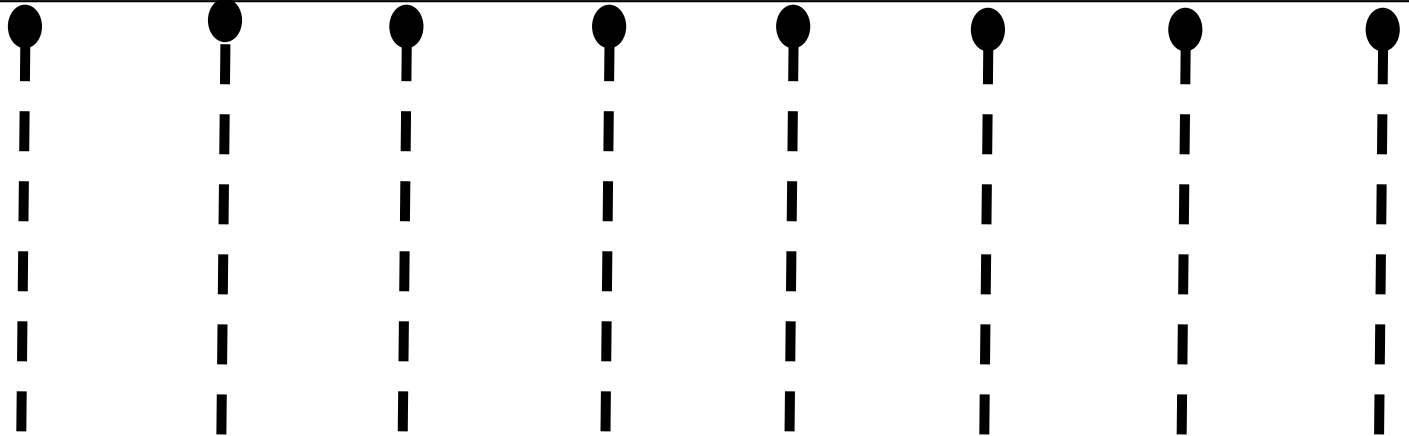

Name:

Date:

Tracing writing warm up movements.

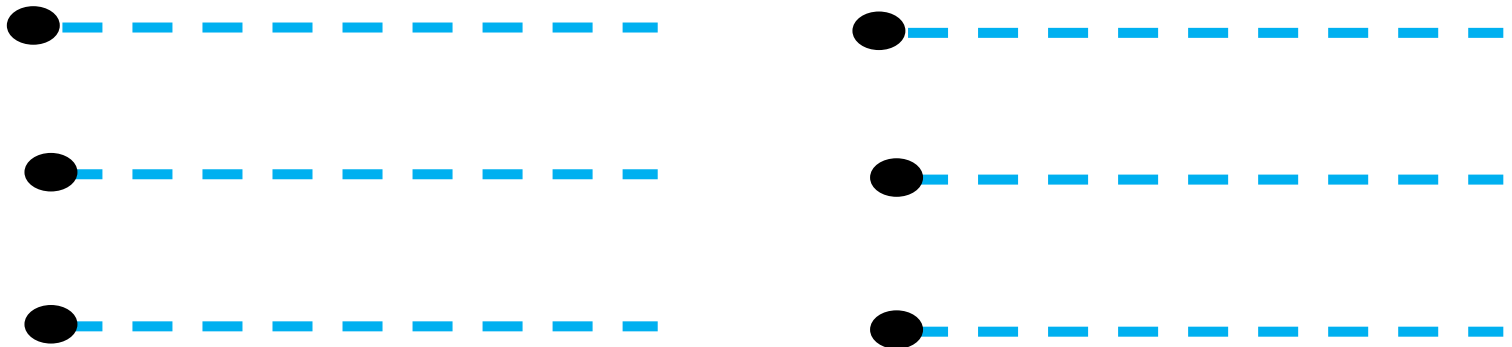

Tallman starts at the top

pulls down and stops.

Sideways sideways

Left to right.

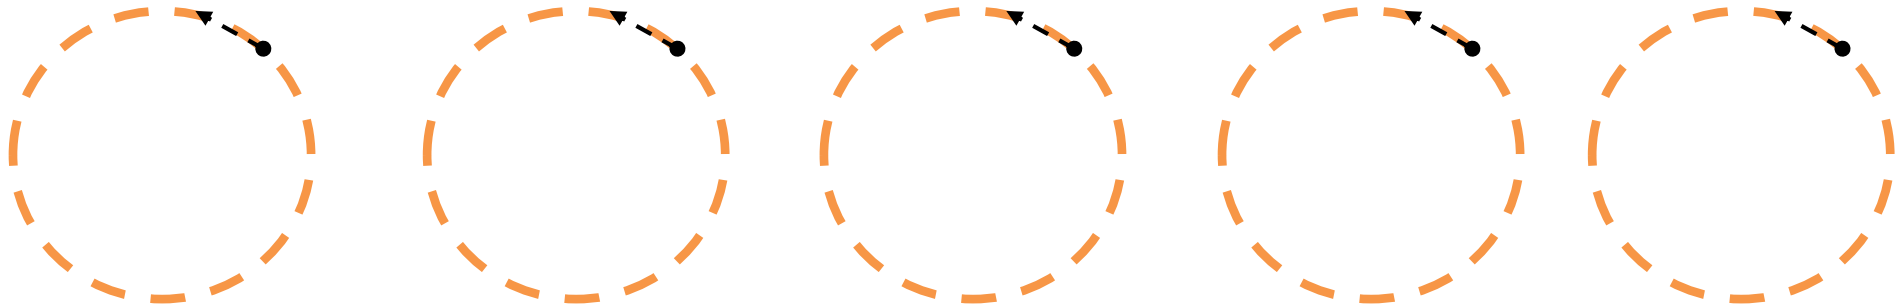

Name:

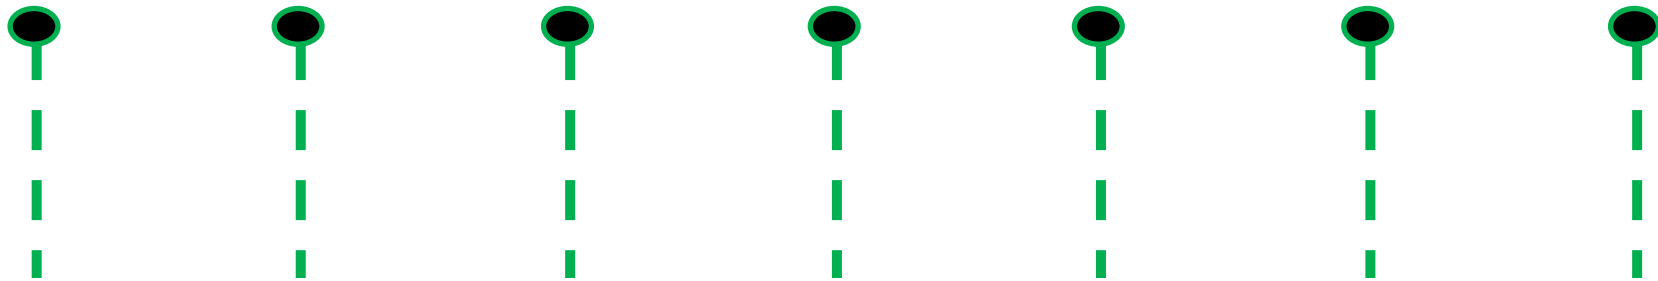

Date:

Tracing writing warm up movements.
