Monday 26 April 2021

Dear Parents / Carers,

I am writing to advise that our school will be open tomorrow, Tuesday, 27 April to welcome students.

You may have seen the WA Government announce the three-day lockdown for Perth and Peel will be lifted as of 12.01am on Tuesday, 27 April, with a post-lockdown transition period until 12.01am on Saturday, 1 May.

Following this latest health advice our school remains open for learning and parents/carers will be able to pick up and drop off their children at school. Parents/carers must wear masks.

Primary school students are not required to wear masks. All teachers must wear masks and are able to remove masks to teach.

I am hoping that our Year 6 camp will be able to proceed this week. I am waiting further advice and will communicate this to parents as soon as I have received this.

Other school events will be impacted this week due to the post lockdown restrictions. Information will be communicated to parents regarding these events.

The safety of staff and students is a priority and extra cleaning, and hygiene measures will continue. The latest health information is available through [WA Health Department](#).

I look forward to welcoming your child back tomorrow.

If you have any queries, please do not hesitate to contact me at Christiaan.Moir@education.wa.edu.au.

Kind regards

Christiaan Moir
