Dear Anne Hamersley Primary School Community,

What an extraordinary start to the school year. We are all facing the challenges of the COVID lockdown and now many of you are facing the threat to property due to the fires.

I want to extend my thoughts to all of you during these difficult times and to let you know we are all thinking of you. These are challenging times. Please remember, if you require additional supports during this time or have been directly affected by the fires, please contact me on the email address below. If your family has lost school supplies or uniforms due to the fires, the school will be able to assist you.

Please stay safe, take care and I will provide more information on the commencement of school when it becomes available.

Regards

Christiaan Moir  
Principal
