A Newsletter designed to inform our growing school community of
Anne Hamersley Primary School

Dear Parents and Friends,

GOOD NEWS

Since I last sent out this Landing Post, there have been some rapid developments in the completion of the school. As always my thanks to those parents who drop in and give me progress reports. My informer this morning tells me that work has commenced on grassing the oval and that most of the landscaping plant out is complete.

The good news is that I will be officially handed the keys next week on Wednesday 9 December. Following this I will get the official go ahead to move in, so from Monday 14 December we should be in the school. Most of the furniture is in the classrooms and the outdoor play equipment has been ordered and should be installed over the holidays.

Please do drop in and see me for Enrolments and any matters pertaining to your children's education that may require special attention. I aim to know each one of our children well and to achieve this I need to know of anything in their lives that could impact on their wellbeing and education.

PARENT HELP ALREADY SOLID

This morning we had several parents attend a workshop on book covering. This was an enjoyable and informative session and it looks as though we are well on our way to having our, well over, four thousand books covered and ready for the first day of school.

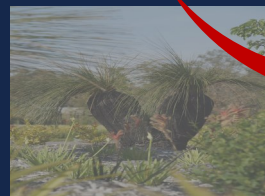

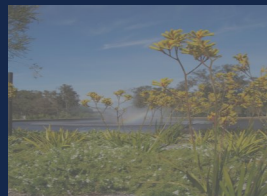

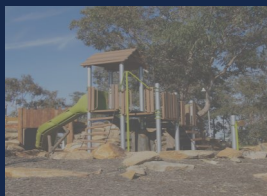

I would now call a meeting of parents who are interested in being part of our event management and Interim P&C Committee to attend a meeting at the school on Dunnett Drive **on Wednesday 16 December at 1.00 PM**. The objective is to plan a Meet and Greet for children and parents next year. We could have a sausage sizzle and the event can be the first fundraiser for the school.

ENROLMENTS

Enrolments are continuing to progress well. Just a reminder that we require copies of your child's most recent school report and NAPLAN (if applicable). These can be email to:
