Dear Parents and Friends,

P&C DISCO

Many thanks for sending your children along to the disco. They looked every bit like Hollywood stars and enjoyed the music, fun and games. It was decided to disallow parents from attending as spectators. This proved to be a good decision as children enjoyed the free interaction with their peers supervised by staff but not being under the watchful eyes of parents. This practise will continue to be a feature of our Discos. The sausage sizzle was also a great success and several parents took the opportunity of taking the evening off from cooking duties! The venue certainly looked the part with a giant Oscar at the gate and creative decorations in the converted Assembly area. Sincere thanks to Kym Hannaford, Amy Bond, Rachel Olliver, Kelly Kirton, Nicole Amato, Jennifer Phillips, Lovinia McDonnell, Tina Matiu Grace and Gareth Hannaford. These parents give of their time to ensure that our P&C continues to thrive and provide fun opportunities for all our children.

THE PEOPLES PICK—ACCOLADE FOR OUR OWN YEAR 2 TEACHER—SHIRALEE HAMER

As part of World Teachers' Day on Friday 27 October, parents and friends were given an opportunity to thank teachers and staff in public schools across Western Australia. Many thanks to one of our parents who took the time to write in praise of Ms Shiralee Hamer our Year 2 teacher, congratulations Ms Hamer! It is really pleasing to receive acknowledgement as individuals and as a group.

UPCOMING EVENTS

This Thursday and Friday our Kindergarten will have a visit from Westoz Wildlife. This incursion will provide hands on experience for our children. The animals are Australian animals. The display will be in the undercover area. Children from the Calista Block will be heading off to the Kalamunda Village on Friday. Kalamunda History Village is on the site of the old Upper Darling Range Railway Station built in the 1890s to service the Zig Zag line which transported timber from Canning Mills to the main line at Midland Junction. It is the largest folk museum in Western Australia depicting the unique hills life and industries that developed in the area. The two original railway stations and platform are on the National Trust List of Heritage Places. On Monday and Tuesday all classes from Pre Primary to Year 6 will be attending a financial literacy presentation called Start Smart. The presentation is designed to give our children information on how we can manage our money exercising thrift.

SCHOOL PHOTOS

Just a reminder that school photographs will be taken on Thursday 16 and Friday 17. Details have been sent to you a few weeks ago.

CHRISTMAS CONCERT

Early information for your diary. Following a review of suitable times, **Tuesday 5 December** has been set aside for our Christmas Concert. The concert will commence at 5.30pm. More details will follow closer to the event. The P&C are in the process of organising some special treats for the children.

MORE OR LESS - Grades K-2

What you'll need

One coin, number cards (from book cover), scratch paper, pen, and pencil

What to do

Two players will play a card game where each will draw a card. The players will compare cards to see who wins that round. Before you begin, flip the coin and call "heads" or "tails" to see if the winner of each round will be the person with a greater value card (heads) or a smaller value card (tails).

1. To begin the game, divide the cards evenly between the two players.
2. Place the cards face down. Each player turns over one card at a time and compares: Is mine more or less? How many more? How many less? The player with the greater or smaller value card (depending on whether heads or tails was tossed) takes both cards.
3. The winner of the game is the player with more cards when all the cards are gone from the stack.
4. Now try the same activity with each player pulling two cards and adding them. Which sum is more? How much more? How much less?

Parent Pointer

Playing with numeral cards helps children learn to compare quantities of numbers.
Children can also learn addition and subtraction.

MATHS MANIA

Eve bought a piece of fabric that was 4.73 metres long. Then she cut 3.43 metres of it off to use in a sewing project. How much fabric is left?

CHILDREN PLAYING IN OUR PARKS

A number of incidents have been reported to our school involving the children of our community. The Annie's Landing Park, off Banrock Road, has been identified as an area where rough play and bullying behaviour has occurred on a number of reported occasions, after school hours. Although these incidents have materialized after school, it remains troublesome and has to be raised and addressed, as in some cases the aftermath has had an impact on our students at school. An urgent request goes out to all parents and caregivers of those students frequenting the park to be vigilant and mindful of the activities currently happening in the park.

SILVER COIN DRIVE—RAISING FUNDS FOR OUR BALI SISTER SCHOOL

Do you have loose coins cluttering up your house? Are those pesky five and ten cent coins adding unwanted weight to your handbag?

The student council is collecting donations of silver coins to raise funds for our sister school in Bali. Children can bring 5, 10, 20 and 50 cent coins in to school next Wednesday, the 15th of November.

As an added bonus, the classroom that collects the heaviest bag of coins will win a **special prize**.

CHARITY CHRISTMAS HAMPERS

Can you help us bring some Christmas cheer to families in need this festive season?

One of our goals at Anne Hamersley Primary School is to teach our students the virtues of caring, generosity and charity. In this spirit, we will be starting an annual collection of goods to make Christmas hampers for families who are in need. In the coming weeks, each classroom will be given an empty hamper, which we will ask students to fill with food and Christmas goodies. Hampers will be collected and distributed by a charity organisation. A list of suggested items will be sent home with children soon.

SCHOOL COMMUNITY NEWS

Hollywood Movie Stars School Disco

What a fantastic night at our Holly Movie Stars theme Disco. Our DJ, Craig from Tigger's Mobile Disco kept the kids entertained again this year and did a wonderful job. We hope that the children had as much fun as we did and we are already thinking about the next one! A big thank you to all of the P&C members that made the night a success, and worked tirelessly in the lead up to the event. We would also like to acknowledge all the teachers and administration staff that helped out on the night - we really appreciate the support and we're sure your students loved seeing you on the dance floor.

Ice-block Fridays

Our Icy Pole Fridays are still a big hit with the children. \$1.00 full icy pole, 50c half and juice boxes are \$1.00. We are often in need of additional volunteers (especially as the weather warms up) on Fridays for 30-45 minutes during lunchtime in the school canteen. If you are able to assist, can you please let us know via the details below.

CRUNCH AND SIP

We are extremely proud to announce that Anne Hamersley Primary School is an official Crunch and Sip school. Crunch and Sip is a well-established program in Western Australia, with over 43% of eligible schools across the state currently certified.

What is Crunch and Sip?

The Crunch and Sip program is an easy way to help kids stay healthy and happy!

Crunch and Sip is a set time during the school day to eat vegetables and fruit and drink water in the classroom. Students bring vegetables or fruit to school each day for the Crunch and Sip break. Each child should also bring a bottle of water in the classroom to drink throughout the day to prevent dehydration.

Giving students the chance to re-fuel with fruit or vegetables helps to improve physical and mental performance and concentration in the classroom, as well as promoting long term health.

What are the benefits of Crunch and Sip?

- Increases awareness of the importance of eating vegetables and fruit and drinking water
- Gives students the opportunity to eat vegetables and fruit during an allocated Crunch and Sip break in the classroom
- Encourages students to drink water throughout the day in the classroom, during break times and at sports, excursions and camps.

What do you have to do?

- Ensure that your child/children take a water bottle to school every day.
- Help your child/children pack a small container with easy to snack on fruit or vegetables every day.

WEEKLY WISDOM

THE SIX VITAL INGREDIENTS OF SELF ESTEEM

PHYSICAL SAFETY:	<i>Freedom from physical harm.</i>
EMOTIONAL SECURITY:	<i>The absence of intimidations and fear</i>
IDENTITY:	<i>The "Who am I?" question.</i>
AFFILIATION:	<i>A sense of belonging</i>
COMPETENCE:	<i>A sense of feeling capable</i>
MISSION:	<i>The feeling that one's life has meaning and direction.</i>

VIRTUE OF THE FORTNIGHT

CONSIDERATION

WHAT IS IT?

- Consideration is respecting other people's needs and feelings.
- Consideration is remembering that other people's needs are as important as your own.
- Consideration is giving some thought to how our actions will affect other people.
- Consideration is stopping to think how other people think.
- Consideration is showing compassion and tenderness to others who are hurt both inside and out.
- Consideration is thinking of little things that will bring others happiness.

HOW DO WE KNOW WE AND THOSE AROUND US ARE CONSIDERATE?

We know this when:

- We let people know that we are thinking of their needs too. We can do this by our words and actions.
- We give people help when they need it.
- We look for people who might need help and support them.
- We show consideration when a friend needs us.
