Volume 2—Issue 20

Thursday 7 December	Year 6 Graduation Assembly
Thursday 14 December	Final Assembly and Book Awards FINAL DAY FOR STUDENTS
Wednesday 31 January 2018	STUDENTS RETURN FOR 2018

Dear Parents and Friends,

THE LAST WORD FOR 2017

This is the last Landing Post Informer for 2017 and gives me a final opportunity to say thank you to several groups in our learning community. These groups have worked jointly or separately with the single vision of ensuring that our school can provide the best opportunities and facilities we can offer our children.

The first thank you and congratulations go to our staff. This group of dedicated people have worked tirelessly to welcome our children to our second year as an established school. Their skill and commitment has moulded them into a group of children who have learnt to love our school and respect each other and all the adults they come in contact with. They have challenged them academically and given them the skills to be resilient and accepting of rules and expectations.

The P&C Association are another group that deserve our praise and thanks. From the onset this group of parents have sacrificed their time to organise events that have not only been profitable but have helped knit our community. I look forward to their renewed energy and increased numbers in 2018. Our School Board has also been active, providing vital support to school governance and at the same time education themselves via Departmental learning tools. As they grow in knowledge and experience, we will see the perform their role with increasing effect.

Finally to our volunteers. Parents and grandparents of children in our school have been generous with their time and have assisted teachers in a variety of ways. We have never been short of volunteers in our Early Childhood classrooms and on excursions and as book coverers in our Library. On Wednesday morning, our staff both invited and catered for this group, who volunteer in classrooms and around the school, for a special morning tea. This was to say thank you for helping in so many different ways. Next year we hope this group will grow in numbers. Thank you for realising that the very best gift you can give your child at school is to be seen by them helping their teachers with their learning. There is nothing better for their self-esteem than to say to their friends” that’s my mum/dad/nana/pop”.

We look forward to seeing you at our final Assembly on Thursday 14 December commencing at 9.00 AM. This Assembly will celebrate class level achievement, farewell our Year 6’s and induct our new batch of Student Councillors and School Captains. **Please note the assembly is for Pre Primary to Year 6 only.**

For my part, it has been a pleasure to lead a school that maintains its enthusiasm and effectiveness by living up to our motto :

Strive to Thrive

Sienna Jorre De St Jorre	Kwame Kuranchie	Jackson Bond	Parneet Dhaliwal
La'Shay Grace	Brock Mackay	Georgina Ziarkievicz	Sean Palma
Gabriel Arrieta	Rashad Imran	Caitlyn Raath	Shyla Tawhai
Caleb Swile	Hayley Oway	Chloe McDonald	Savannah Dethick
Nyuon Machar	Tobias Donnelly	Kamila Mudaly	Navare Ironui
Fadalmula Mahamud	Sofia Travichich		

REMINDER: EARLY CLOSE EVERY WEDNESDAY AT 2.30PM

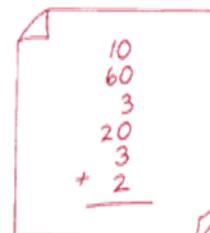

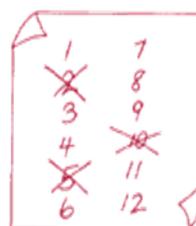

PROBLEM SOLVERS - Grades 1-3

What you'll need

Enough sets of cards so that each player has a set of cards numbered 1 through 6.

What to do

1. **Super sums.** Each player writes numbers 1-12 on a piece of paper. The object of the game is to be the first one to cross off all the numbers on this list. Use only the cards 1-6. Each player picks two cards and adds up the numbers on them. The players can choose to mark off the numbers on the list by using the total value or crossing off two or three numbers that make that value. For example, if a player picks a 5 and a 6, the player can choose to cross out 11, or 5 and 6, or 7 and 4, or 8 and 3, or 9 and 2, or 10 and 1, or 1, 2, and 8. If a player cannot cross off a number, the player loses the turn. The first player to cross off all the numbers wins.
2. **Make the sum of 100.** Use only cards 1-6. Each player takes turns drawing a card and each player must take 6 cards from the deck. With each draw, a player decides whether to use the number on the card in the 10s place or the 1s place so that the numbers total as close to 100 as possible without going over. For example, suppose a player draws the following cards in this order: 1, 6, 3, 2, 3, 2, and chooses to use the numerals in the following way:

Parent Pointer

This card game helps children develop various ways to use numbers in different combinations and to see the many possibilities of arriving at the same sum by adding different sets of numbers.

MATHS MANIA

What is 20% of \$5.00?

EMAIL - STUDENT REPORTS – SEMESTER 2

Our teachers have been working hard to produce student reports that will be emailed to all parents and caregivers preferred contacts on our school contact database. Student reports will be emailed on Monday 11 December and will be available to print or download by clicking on a live link provided in the email for a set period of **four weeks** after the initial date of the email.

Please note that the link will become inactive after four weeks. In the event of unforeseen circumstances and the inability to download the student reports within the allotted time, a request could be made to resend the student reports by email when the school reopens after the summer holidays. Student academic performance as well as social attributes will be reflected in the second semester report. Interviews may be arranged with your child's teacher from Tuesday 12 December to Thursday 14 December 2017.

SCHOOL COMMUNITY NEWS

Christmas Concert

Thank you to all the local businesses that supported our raffle at the Christmas Concert this year, your generosity was very much appreciated. Our sausage sizzle and Show bags were a big hit and we were kept very busy throughout the night - thank you to everyone! Another thank you must also go to the tireless volunteers who always give up their time to help in any way they can to help run these events. What a fabulous night.

Thank you

Your P&C would like to thank you all for your continued support of our events and fundraisers throughout 2017. We have been able to assist the school in some very important projects and purchasing of much needed resources because of you.

As President, I would like to thank my executive team for all your efforts and assistance. I am humbled to be a part of such a passionate group of people that are committed to making Anne Hamersley Primary School the best it can be and give our children the best resources. Thank you to Mr Simeons and all the administration team for your unwavering support of our ideas, it is very much appreciated.

Merry Christmas and best wishes for 2018 Kym Hannaford P&C President

I wish you and yours a restful, happy festive season and a Happy New Year.

School recommences on Wednesday 31 January 2018

With best wishes
