Dear Parents and Friends,

PROGRAMME MODIFICATION TO VALUE ADD

I will be taking two Long Service Leave days each week till the end of the year. The days are Mondays and Fridays. Replacing me will be Mr Rob Guy who will be acting on my behalf as Associate Principal. His position will be filled by Mrs Claire Armstrong. Mrs Armstrong will not be assuming Deputy duties but will assist the school to value add to our programs.

This will occur in the following way:

- Mrs Armstrong will teach Mrs Wu's Year 2 class on Mondays. She will cover the normal time table. Mrs Wu, will focus on our EALD children [English as an Additional Language or Dialect] . Working with both students and teachers. Mrs Wu has had several years of experience and acquired the expertise to value add to our teaching.
- Mrs Armstrong will teach Mrs Pegoraro's Year 3 class on Fridays. She will cover the normal time table. On this day, Mrs Pegoraro will provide support and advice to staff in the Mathematics area. Mrs Pegoraro is currently our mathematics resource manager and mentor in mathematics and this move will give staff time tabled access to her expertise.

I am confident that these changes should see continuing growth and development in the way we educate your children.

OPEN NIGHT K-6

On Tuesday 21 August our school will be open from 5.00 PM to 7.00 PM to the public. The children have been preparing for this visit and are looking forward to showcasing their work in classrooms and also activities done with their specialist teachers. The school library will also be open and parents are welcome to visit and support our Book Fair. Mrs Bell will be available for book purchases and general assistance with items on display. We are looking to receive your donation of books to add to our ever expanding collection of books. In addition, a Mathematics demonstration will be held by some of our budding mathematicians. This activity will be on display in the computer section of the school library.

Families are encouraged to support our P&C which will be organising a sausage sizzle with drinks for sale. This will also be a great opportunity for parents and friends of our Kindergarten children attending in 2019 to be familiarised with the school layout and facilities. You are reminded that the evening has been organised for you to enjoy a special time with your children and not as an opportunity for a teacher interview.

NAPLAN NATIONAL ASSESSMENT PROGRAM Literacy and Numeracy NAPLAN 2018 RESULTS - NOTE TO PARENTS AND CAREGIVERS OF STUDENTS IN YR 3 AND 5.

NAPLAN 2018 results will be provided to schools from mid-August to mid-September.

NAPLAN individual student reports provide information about what students know and have achieved in the areas of reading, writing, language conventions and numeracy. They also provide information on how students have performed in relation to other students in the same year group, and against the national average (over one million students participate in NAPLAN tests each year) and the national minimum standards. This year was the first of our NAPLAN Online testing.

SPEAK UP AWARDS

Congratulation to our public speaking team who represented Anne Hamersley Primary School at the annual Speak Up Awards. The competition was between primary age children from several other public and private schools. Team members; Angel Dushime, Ria Goundar & Sofia Schiaffini presented their well-researched speeches with passion and clarity. The girls did themselves and the school proud and we congratulate them on their outstanding efforts. Our sincere thanks go to Mrs Narelle Salomon, our Year 6 teacher, event coordinator, coach and organiser of the event for our students. The event was also proudly supported by parents on the day, a big thank you to you all. We are delighted to announce that two of our contestants, Ria Goundar and Sofia Schiaffini were amongst the three students selected to progress to the semi-finals. We wish the girls the best of luck.

SCHOOL NUMBERS FOR 2018

Work has already commenced on class planning and new teacher appointments for 2019. As you can appreciate, predicting numbers is difficult. You can assist by coming in and informing us if you will not be returning to AHPS in 2019. The more prepared we are the more we are likely to hold class numbers for as long as possible before a restructure occurs.

BALI VISITORS

On Tuesday 21 August, we will be hosting visitors from Bali which will be sharing some cultural performances and activities with our students. A special assembly has been organised and is set to start at 9:45 am to welcome our guests. Parmelia 5 will be performing a welcome song which will be followed by some traditional Balinese dancing. Traditional and cultural activities will be shared later in the day with designated classes. Thanks to Miss Danella Brown for her organisation in this matter.

With best wishes

UPCOMING SPORTS EVENTS

The Year 3-6 Jumps and Throws day will take place on Tuesday the 28th of August. The top 5 Year 3 and 4 students from each house will compete against one another in long jump, shotput and turbo javelin. The Year 5 and 6 students will be completing the same events and will also test their skills at triple jump. The House Athletics carnival will take place on Friday the 31st August, weather permitting. Students that excel will be invited to participate at the Interschool carnival on Friday the 14th of September at Swan Valley Anglican Community School. If you are available to help out in anyway on either of the days please email Mr Hall brendan.hall@education.wa.edu.au

SUSTAINABILITY

Worm Whizz – Thank you to all the people supporting our worm whizz franchise. The students work hard to maintain our farm and harvest the whizz that is then sold to the public. All proceeds go to funding our gardening project, running healthy eating cooking classes and learning about sustainable practices.

The Bush Tucker Garden – Mrs Burley has been hard at work orangising the new Parmelia Bush Tucker Garden. This wonderful new project will introduce our students to the native Australian plants that have provided food for indigenous people for thousands of years. The location is set to be next to the Parmelia block. Make sure you watch that space!

Weekly Waste Warriors - In order to tackle the rubbish problem within our school as well as fostering pride and care for our environment, the Sustainability Team have created the "Weekly Waste Warriors". A new class is chosen at each Monday Muster and are given special items to help keep our school clean for the week. Since the beginning of Term 2, we have noticed a great difference in the amount of rubbish left around the school. Students are starting to become more aware and taking responsibility not only for their rubbish but waste they see left around the school. Keep up the good work.

SPECIALIST MUSIC PROGRAM 2019

Ellenbrook Secondary College is proud to be one of only a handful of schools in WA to offer a specialist music program to our students. The program is led by Mr. Stuart Rhine-Davis, who has over 40 years' experience in public music education. We're extremely lucky to have someone of his knowledge and expertise leading the 15 bands, ensembles and choirs currently on offer at our College. Since our inception in 2007, the College's music students have performed to audiences both near and far. With tours to Canberra, Melbourne and New Zealand, in 2019 we will be adding Brisbane to this list with an invitation to attend the ASPIRE festival. Every ANZAC Day the local RSL asks that we play at Ellenbrook Dawn Service, which we consider an ongoing honour. We regularly attend a variety of competitions and most recently, our Contemporary Acoustic Quartet was chosen out of 400 schools to play at OPUS 2018, which was held last month at Perth Concert Hall. We are continuously impressed by the standard of our students' abilities and their work ethic. Our aim for your child throughout the program is to assist in the development of their creativity and curiosity, striving for excellence through their continued participation in music. Ellenbrook Secondary College's ATAR music students consistently achieve equal to or better than the state average every year, with multiple graduates of our College going on to earn competitive places at the WA Academy of Performing Arts and UWA. If your child is already learning an instrument in primary school through Instrumental Music School Services (IMSS) and they wish to enrol at the College for 2019, then they are automatically placed into our program and will continue to receive lessons and participate in our ensembles (in addition to in-school music classes). If, however, you would like your child to be part of the Specialist Music Program and they are not yet learning an instrument, then they are invited to apply to audition at the College on **Monday 13 August at 9:00am**. All applicants will need to bring a pencil and an eraser. The audition will take no more than 30 minutes, after which your child can return to their primary school. Successful applicants will be notified at a later date. Any queries about our music program can be referred to ellenbrook.sc.admin@education.wa.edu.au or by calling 9297 9700. The College looks forward to meeting all interested future music students soon!

DESIGN AND CREATE YOUR OWN FAMILY "MONEY"

Making money is usually not something that third graders should be worried about. But with this fun craft activity, your child can design and "make" his own money, for use as currency and math practice at home! Putting the faces of family members and pets on these bills makes for a fun reflection of your child's family. Here's how to get started "making money" at home!

What You Need:

- 4 pieces of lightly coloured paper, one for each colour (for instance: yellow, pale green, pale blue, pink)
- Scissors
- Ruler
- Lead pencil
- Coloured pencils or pens

What You Do:

1. First, cut out your money. Divide each piece of paper into 7 segments along the long edge, and in half along the short edge. This should give you a grid of 14 bill-shaped rectangles.
2. Cut out the rectangles and repeat with the other pieces of paper.
3. Decide what units of currency your family money should take. A good place to start is to make one set of coloured bills be \$1, the next \$5, the next \$10, and the last \$20, so each colour represents its own denomination. For each denomination, you will need to choose a family member or pet to draw on the bills. For instance, Mum can represent the \$20 bill and her face will appear on each one, Dad can be on the \$10 bills, and so on.
4. Take a look at a real dollar bill to figure out what you want to put on your bills. It should be clear what the bill is, so be sure to put the number "1" or "5" in various places. Draw the family member's head in the middle of one side of the bill. The rest of the decoration is up to you!
5. After you have drawn up all of your bills, you should have 14 \$1 bills, 14 \$5 bills, 14 \$10 bills, and 14 \$20 bills. Figure out how much money you have!
6. Once you've tallied up how much money is in the "bank," you can distribute some of your cash to family members. Use your family money as currency in negotiations over chores and treats, and be sure to give proper change!

POSITIVE PARENTING BY PROFESSOR MATT SANDERS

As a parent, you want to do the best for your child, but how do you know what's right? What do you do when your child answers back? Or is being bullied at school? Or starts telling obvious lies?

Over coming weeks in THE LANDING POST, I will share some of Triple P's proven tips for the best ways to handle common behavioural and developmental problems in children. From battling disobedience to encouraging homework routines, I'll cover those everyday issues to help you work out some strategies to suit your family.

I'll highlight common "parent traps" and hopefully make the very important job of raising kids as enjoyable and rewarding as possible.

But remember, parenting is sometimes hard work and it may take time to tackle more difficult problems. The good news is that help is always at hand.

Throughout Western Australia, schools together with school psychologists, are offering parenting support with Triple P, one of the world's most highly-regarding parenting programs.

Professor Matt Sanders is founder of the Triple P – Positive Parenting Program®. For more information go to www.triplep-parenting.net or sarah.mclean@education.wa.edu.au

School Disco

Thank you to all the students that attended our annual Disco on Friday 10 August we had over half the school attend which was incredible. Whilst it was a bit chilly, the children had fun jumping and dancing to the music to keep themselves warm. Thank you to all the wonderful P&C volunteers for helping out on the night.

Open Night Tuesday 21 August

The P&C will be running a Sausage Sizzle during the upcoming AHPS Open Night on Tuesday 21 August between 5-7pm. Grab a bite to eat as you take the time to peruse your children's classrooms. Sausage sizzles \$2.50, \$1.50 can of soft drink and \$1.00 juice boxes.

Athletics Carnival Friday 31 August

The Athletics Carnival is fast approaching on Friday 31 August and we will again be organising a sausage sizzle lunch for the children and spectators throughout the day, weather permitting. The children will be able to pre-order their sausage sizzle prior to the carnival and will be packed up ready for when the children break for lunch - please watch their bags in the coming days for order forms. This is a perfect opportunity to come along and share lunch with your children and cheer them on in their sporting events. We are also again seeking the support of our school community with the kind donation of baked goods for our cake stall which is always very popular, and volunteers that can please spare an hour or two to assist with the packing and distribution of the lunches. If you are able to contribute, could you please let us know through our Facebook page or email details as per below.

Bunnings Ellenbrook Fundraiser 15 September

On the subject of sausage sizzles, Saturday 15 September we will be at Bunnings in Ellenbrook holding a Sausage Sizzle fundraiser. One of our main fundraising drives for this year is the provision of a shade sail for the new Early Childhood playground. We are eagerly looking for volunteers to assist throughout the day to keep things running smoothly – below is a guide of the times we will be operating. If you have a few hours to spare and are able to assist, please let us know via email, Facebook message or via the front office.

Colour Explosion

We are so excited to be bringing our first Colour Explosion Fun-Run to AHPS in the first week of Term 4. There will be some amazing prizes that the students can win from their sponsorship efforts as well as the fun of the run! Information and Sponsorship instructions will be distributed to the students from Week 7 this Term so they have plenty of time to reach their personal sponsorship goals prior to the Colour Explosion Day! Please see attached flyer in the Newsletter for more information.

Ice-block Fridays

Children can still purchase icy poles during the winter months on Friday lunchtimes for \$1.00 full icy pole, 50c half and juice boxes are \$1.00. We are often in need of additional volunteers on Fridays for 30-45 minutes during lunchtime in the school canteen. If you are able to assist, can you please let us know via the details below.

Our details

We welcome new members at any stage throughout the year and parent helpers at all of our events. THE COLOUR CRAZE THAT'S SWEEPING THE NATION™

In the new few weeks, we will be commence the School Run4Fun Colour Explosion which is as a major fundraiser so we do ask for your support. The more money we raise the more we can provide for the students through vital school projects.

The School Run4Fun Colour Explosion will be held on **Friday 12 October (Week One, Term Four)**. We do ask that you bring a spare change of clothes to school, most importantly a plain white shirt as the students will be covered in powder from head to toe. The day's focus is on fun and fitness with the added benefit of raising funds for our school.

Colour Powder

The colour powder used in our event has been sourced direct from India, the home of Holi Powder. It is made of high quality corn starch and permitted food colours. It's non-toxic, biodegradable, skin safe and environmentally friendly. Toxicological Risk Assessment and ingredient listings can be obtained from the School Office upon request. Students with asthma are advised to be careful in their decision to participate.

How Does My Child Fundraise?

Students will be receiving a Sponsorship Form soon with instructions on how to raise money and order prizes. Students obtain donations in cash using the Sponsorship Form together with online fundraising.

Students who raise as little as \$10 or more will receive an incentive prize for their efforts. But why not aim higher? You have the option to choose up to five (5) prizes and this will set your fundraising goal. Family and friends are your greatest supporters, so ask them first for your support. You will reach your fundraising goal in no time.

Student Profile Page

Create a Student Profile Page at www.myprofilepage.com.au which is unique to you. There are also some great features like recording your sponsorships and selecting your prize goal.

You can also register for online fundraising. It's the easiest way to help your child raise money and to reach your fundraising goal sooner. The average raised per student using online fundraising is \$120.

WIN A SHARE OF \$70,000 WORTH OF FREE SPONSORSHIP DONATIONS. Create a Student Profile Page at www.myprofilepage.com.au and enter your unique code found on page five (5) of your Sponsorship Form to see if you're an instant winner. Give your fundraising goal a kick start!

How to Order Prizes?

To reward your child for their efforts, they will receive incentive prizes based on the total amount of sponsorship dollars raised in cash, online, and if applicable, any **FREE SPONSORSHIP DONATIONS** won using the unique code on page five (5) of the Sponsorship Form.

You have two options to place your prize order:

1. Login or create a Student Profile Page at www.myprofilepage.com.au. Once the fundraiser has finished, click the 'ORDER MY PRIZE' button and then confirm your total amount raised and order your prize/s, **OR**
2. Complete the back page of the Sponsorship Form and return to the school.

Please note, all donations need to be finalised on or before **Friday 19 October**. Student prizes will be delivered shortly after.

If you do **NOT** want your child to participate on the day, consent forms will be available from the front office for you to complete and hand back.

Thank you in advance for your participation, and get ready for a **BLAST OF COLOUR!** Happy fundraising!
