Dear Parents and Friends,

INTER HOUSE ATHLETICS CARNIVAL

The Inter House Carnival will consist of Jumps and throws which are being completed today and the age races and team games tomorrow – Friday 26 October.

Again this year, the Ellenbrook Lions Club have donated the medallions and a member will present the shield to the winning House.

The P&C Association have worked really hard to cater for you lunch and snack needs and a sausage sizzle will be available through the day. This year they have decided to provide brewed coffee through a coffee van. The van will be on site through the day. As our numbers increase, so to does the number of parents and extended family. This has caused some seating problems and as such there are designated areas for spectators to sit. Please follow directions carefully on your arrival so you can take up a good position that you can call "home base" through the day. As in the past, your children can join the family circle and lunch with you.

CAPTAINS AND COUNSELLORS PARLIAMENT HOUSE VISIT

Next Tuesday, our Captains and Counsellors have been invited to visit Parliament House to attend Question Time and to Lunch with our Local Member for Swan Hills MS Jessica Shaw. The children are really excited as this visit is by way of reward for all the hard work they have done for the school this year. They have been busy studying West Australian history and the Parliamentary system.

PARMELIA EXCURSION

Next Wednesday and Thursday, the children from Parmelia Block [Wednesday Group – Rooms 1, 3 & 4; Thursday Group – Room 2 & 5] will be going on an excursion to Browne's Dairy.

P&C MEETING

The next meeting of the P&C Association will be held on Tuesday 30 October at 3.30 PM. All parents and friends are welcome.

CAPTAINS AND COUNSELLORS ELECTIONS 2019

Next week all Year 5 students will be given a special notice inviting them to prepare for the upcoming elections. To be elected they will need to prepare an election speech to present at preselection. If successful at this level, they will make their final presentation to the children in the Middle and Upper school. Voting by secret ballot will follow and the successful children will be badged at the final assembly on Thursday 13 December.

YEAR 6 CAMP

Last week, our Year 6 students spent three days and two nights at Ern Halliday Recreation Camp in Hillarys. They were accompanied by Mrs Williams, Mrs O'Neill, Mr Hall and Mrs Salomon.

The students and teachers had a fantastic time! They faced many challenges, such as abseiling, caving and the big swing. Students also learnt a number of new skills, including orienteering, pump track riding and how to make campfire s'mores (thanks to a visit from Mrs Pegoraro). They also loved having Mrs Bell, Mr Guy, Mrs Higgs and Mr Simeons visit and take part in the evening games.

Thank you to the students for their enthusiasm, and to parents for ensuring your children were well prepared for camp. Next year, the Year 6 camp will be held from the 10th to the 12th of April (Week 10 of Term 4). The 2019 camp will again be at Ern Halliday.

KIDS AS CONSUMERS BY PROFESSOR MATT SANDERS

It could be anything from breakfast cereal at the supermarket to an expensive new video game. Chances are though, your child has a very clear idea of what he or she wants you to buy. It's hardly surprising when you consider children watching two hours of television a day will be bombarded with around 10,000 advertising messages every year.

So, with children being groomed to consume from a very young age, some parents may feel powerless when the pestering starts. But there are ways to help children express their wants – which is natural and not necessarily negative – yet prepare them for the disappointment of not always getting everything they want.

First, you should help your child understand why you will or won't buy something. Rather than telling your son he can't have something, "because I say so", you could explain why the product isn't suitable. Is it offensive or too expensive? Perhaps the child can have the item when they reach a certain age. Explain once and don't let your child interrogate you.

You can also help your children become better informed consumers by teaching them the value of money. Give them a set amount of pocket money to spend as they like. Even six year olds soon learn they can't buy anything once the piggy bank is empty.

And finally, remember you're a role model. Think about what you say and do in front of your kids. If you constantly discuss other people's worth or success in terms of how much they earn, how much they have or what they've bought, your child is going to accept those values as important.

TEACH DECIMALS ON A BUDGET

Not sure what to do with the catalogues piled high in your living room? Try this entertaining and educational math activity that will teach your fourth grader how to add and subtract decimals.

What You Need:

- Mail order catalogues
- Paper
- Pencil

What You Do:

Step 1

Gather several mail order catalogues. Explain to your child that he is going to “shop” from the catalogue of his choice. Tell him he can choose whatever items he wishes, as long as he stays within his budget. No need to put your money where your mouth is...give him a *pretend* budget, \$50 or \$100, depending on the cost of the items in the catalogue.

Step 2:

Start shopping! Ask your child to write down the name of the item and the cost. After he shops for each item, have him estimate how much money he has left in his budget. Encourage him to “shop” until he has reached his limit.

Step 3:

Now, have your child add up the cost of his purchases, reminding him to line up his digits and decimals correctly. If he's under-budget, ask him how much he has left. Can he add another purchase to his fantasy list? If he's over-budget, ask him to subtract one item (or items) until he is within his budget.

Adding up the items in a wish list is an enjoyable way for your child to strengthen his understanding of decimals. True, this is only pretend shopping but, it's fun to dream!

Ensuring Safety and Preparedness at OSHC

We know that we sit alongside our parents as we are there when they can't be. Therefore, safe care is the most important pillar in what we do every day. To ensure that we are fully prepared and equipped to give care to the kids, especially to those who have medically diagnosed condition or allergy. We will require our parents to submit fully completed medical forms or if you have submitted the forms previously, you will need to have it updated if there are changes with your child's condition or medication.

The following medical forms is required to help our staffs take better care of your child as per his/her needs;

- **Authorisation for Management Plans to be Followed** – This form must be completed by the Parent and attached the Medical Management Action Plans provided by their family doctor.
- **Medical Authorisation Form** – it needs to be submitted and signed by the Parent if his/her child requires medication to be administered while attending the program.
- **Medical Management Forms** – 1 form should be completed by your Doctor per diagnosed medical condition.
