INTER HOUSE ATHLETICS CARNIVAL – FRIDAY 26 OCTOBER

All the hard work and prior practise was rewarded when the community came together to enjoy this annual event. Our children looked the part in House colours and the occasion was made increasingly festive with coloured hair and accessories. Thank you parents for promoting the culture of the school through the purchase of House t-shirts.

The competition itself was keen and friendly and good sportsmanship was always on show. Children congratulated the winners and celebrated their own personal bests. Of course none of this would have been possible without the following:

- Our brilliant P&C who ensured that our children were fed and well catered for throughout the day.
- Special thanks to The Anne Hamersley staff who trained, pre-selected and contributed to the smooth running of the day.
- Mr Hall for his organisation of the day which was wonderful. He was ably assisted by Mr Egan who prepared the field and assisted with organisation in a variety of vital areas.
- Adequate shade was provided to the children by the marquees - one for each House, that were thoughtfully purchased by the P&C in our first year.

Finally a big thank you to the Lions Club of Ellenbrook for providing the Inter House Shield and the Championship Medallions. Congratulations to:

STAFFING CHANGES – ORELIA 5

Mrs Williams has applied for and been granted emergency medical leave. This will extend to the end of the year. Her leave will commence on Tuesday 20 November. In her absence, the class will be taught by Mrs Emma Watts. Mrs Watts is familiar with the workings of our school and the high standards we achieve as she has worked on several occasions in the Upper school. Mrs Williams is close to completing the children's Annual Reports, so this assessment will reflect her records of children's performance. We wish Mrs Williams a speedy recovery, and a restful summer holiday.

Wise words for the fortnight.....

National Bandanna Day

On Tuesday 23rd October we turned AHPS into a rainbow to raise vital funds for the charity CanTeen. National Bandanna Day is the major fundraising and awareness campaign for CanTeen Australia. CanTeen helps young people cope with cancer in their family. Through CanTeen, they learn to explore and deal with their feelings about cancer and connect with other young people in the same boat. Yesterday was a huge success and we are pleased to announce that through selling the bandannas, cupcakes, raffle tickets to win a Kingdom Cupcake cake, rainbow free dress and a staff morning tea, we raised a total of \$2,879.25. As a school we would like to say a huge thank you for your generosity with donating to this cause to raise funds for children living with cancer. Most importantly thank you to Amanda Schiaffini, Sophie Pearse and Jen Gale for selling Bandannas in the lead up to NBD. Also a big thank you to Claire Harvey, Anita McKay, Amanda Schiaffini, Felicity Johnson, Sam Lord, Lee Pellicciotta, Mrs Higgs, Mrs Burley and her Aunty for donating the cupcakes for the cupcake stall. Congratulations to the Robinson family who took out the amazing raffle prize from Kingdom Cupcake.

WANTED

CLEAN, COLORFUL

PLASTIC BOTTLE CAPS

For Amity Art Project

PLEASE BRING TO AMITY 4.
PLEASE RINSE. ALL SIZES WELCOME.
THANK YOU!!

LET'S PLAY STORE

What you'll need

Empty containers (cartons or boxes), old magazines, books, newspapers, calculator, pencil or crayon, and paper

What to do

1. Help your child collect empty containers so that you can play as if you were shopping at the grocery store. Gather the items and put them on a table.
2. Help your child think of a price for each item. Mark the prices on the containers. You can even mark some items on sale.
3. Pretend to be the customer while your child is the cashier.
4. Teach your child the difference between the math symbols (+, -, ÷, x, and =) and how they are used when using the calculator. Help your child add the prices of each item on the calculator and total the amount using the (=) symbol. Have your child write the total on a piece of paper, which will be your receipt.
5. While you and your child play store, you can ask questions like how much would it cost to buy three cartons of eggs? How much does 1 box of soap cost, if they are 2 for \$5.00? How much is my bill, if I don't buy the cereal? How much more will it cost if I buy this magazine? Have your child estimate the amounts of the items you are buying. Check to see if the estimation is correct on the calculator.

Parent Pointer

Learning to use the calculator will help your child understand and apply estimation and reasoning skills, as well as learn addition, subtraction, division, and multiplication.

LYING BY PROFESSOR MATT SANDERS

Preschoolers sometimes mix up reality and fantasy, but we expect that by primary school, children will know the difference between the two. To discourage lying, parents need to explain to their child why lying is wrong and the consequences of lying. For example, you could briefly and calmly tell your child: "Tania, I feel disappointed when you lie. It makes it hard to believe anything you say. If you keep telling lies you will find that nobody will trust you."

Give your child opportunities to be honest and praise them for telling the truth. Your positive response will encourage them to repeat their honesty in future. Even when a child admits to telling a lie, praise them first for their honesty, before proceeding with the disciplinary consequences. If your child is finding it hard not to tell lies, you might need to set up a written contract signed by you and your child. This contract should state what you expect your child to do and the rewards and consequences that will follow. If they have lied, the consequences for that behaviour are clearly listed in the contract. As your child learns to not lie, you will no longer need a written contract as you and your child will have established a more permanent contract of trust.
