Volume 3—Issue 20

Dear Parents and Friends,

STUDENT ELECTIONS

Our Year 5 students are congratulated on the hard work they have put in preparing their Election Speeches. In Week 6 they presented their pre selection speeches and fourteen children are now in the running for School Captain or Councillor. They will present their speeches to the Year 3 to 6 children on Tuesday 27 November commencing at 9.00 AM.

All parents and friends are welcome. A special invitation has been sent to the parents of the fourteen presenters. At the end of the presentation children from Year 4 - 6 will vote using the preferential voting system. The successful children elected to these positions will be announced at the Final Assembly on Thursday 13 December.

DATES FOR YOUR DIARY

- Tuesday 27 November 2 9.00 AM - Aspirant Captains and Counsellors election speeches.
- Wednesday 5 December 9.00 AM - Year 6 Graduation Assembly
- Tuesday 11 December 5.30 PM - Christmas Concert
- Thursday 13 December 9.00 AM - Presentation Assembly

SCHOOL NUMBERS FOR 2019

Work has already commenced on class lists and new teacher appointments for 2019. As you can appreciate, predicting numbers is difficult. You can assist by coming in and informing us if you know of any families who are moving into the area with school age children. If your child will be leaving the school in 2019, we would like to be informed immediately. The more prepared we are the more we are likely to hold class numbers for as long as possible before a restructure occurs.

In response to some enquiries I have received - there will be some mixed year level classes. These are called composite classes and quite common in our system. Every effort is made to ensure that children are allocated to these classes based on their capabilities.

If you would like to contribute any information to us, as we decide on your child's class placement, please write or e mail me providing **EDUCATIONAL REASONS** why your child should have a particular placement. Your letters should reach my by **Monday 26 November**. This date is important as teachers will be participating in a class list compilation workshop on **Wednesday 28 November**

ELECTRONIC REPORTING TO PARENTS

In the interest of becoming more environmentally aware and in response to Departmental requirements we will be emailing your children's reports directly to you. In preparation for this process, please contact the school office or email annehamersley.ps@education.wa.edu.au **if there are any changes to your email address.**

NOTICE FOR PARENTS OF YEAR 5 STUDENTS

If your child is in Year 6 next year, please be aware of the following Term 1 expenses:

Year 6 Camp 2019

In 2019, the Year 6 camp will be held in Week 10 of Term 1. We will be staying at Ern Halliday Recreation Camp in Hillarys, from the 10th to the 12th of April. A bus will be transporting students to and from camp. Depending on final numbers, the cost of camp is likely to be approximately \$230. More details will follow early next year.

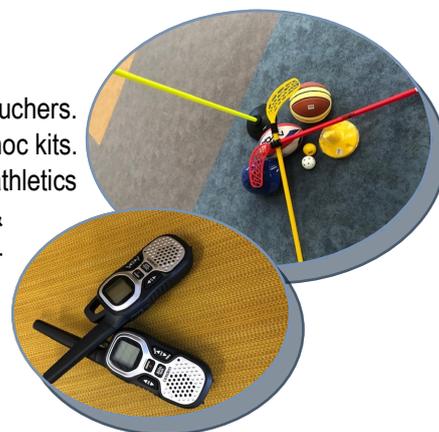

Graduate Shirts

Students will get the opportunity to order graduation shirts early in Term 1. This year, the cost was \$35 per shirt. Next year, it is likely to be a similar cost.

Mrs Salomon
Teacher - Year 6

COLES SPORTING SCHOOLS

Massive thank you to everyone who brought in the Coles sporting schools vouchers. We used these vouchers to update our sport shed with rugby, basketball and unihoc kits. We also purchased tee ball helmets, whistles, walkie talkies and a variety of athletics equipment that made the athletics carnival run smoother. I'd like to thank the P & C for promoting the initiative and the school community for bringing in the vouchers which made all of this possible.

Mr Hall
Physical Education Teacher

KINDERGARTEN – YEAR 2 TRANSITION PROGRAM

In weeks 7, 8 and 9, we will be conducting a K-2 Transition program.

For the next three Fridays at 2.10-2.55, all Kindy, Pre-Primary, Year 1 and 2 students will be visiting a classroom and/or teacher that they may have next year. Our goal is for the children to visit a 2018 classroom/teacher three times.

This is a very important end of year procedure as it helps to prepare our children for the impending change in 2019 and alleviates any stress and anxieties that our children may be feeling. The children find it a very exciting time so please discuss this with them before and after. An example of the movements is as follows;

- Kindergarten students will visit with the Pre-primary classes.
- Pre-primary classes will visit with the Year one classes.

DID YOU KNOW THAT YOU COULD WIN A TROPHY LIKE DANTE?

The P & C has rewarded Dante Parker from Year 3, Calista 3 with a Highest Fundraiser trophy. Dante raised \$338.85 during our recent Colour Run fundraising event. Well done Dante (and his family!).

You can also win a trophy for selling the most raffle tickets in our latest P & C Fundraiser. Tickets are only \$3 or buy a book for \$60. Sell them to your friends, family, work mates and sporting clubs. Don't delay. All money must be in by 6th December. Raffle will be drawn on the 12th December.

CHRISTMAS COUNTDOWN ON SANTA'S BEARD!

This countdown to Christmas craft is fun for kids who are excited for the holiday. Bring maths and art together with this fun Christmas craft! You and your child can count down to Christmas by making a Santa beard and adding a cotton ball representing each day until the 25th!

What You Need:

- Construction paper (white and red)
- Pencil
- 25 cotton balls
- White glue
- Markers

What You Do:

1. Before you can count down on Santa's beard, you have to make a Santa face! Cut out a circle for a Santa face, a red triangle for a Santa hat and a big white beard out of white paper. The beard should be large enough to fit 25, 50 cent sized numbers.
2. Glue the beard and the hat onto the Santa face. Encourage your child to use the markers to draw Santa's eyes, nose and mouth.
3. On Santa's beard, write out the numbers 1-25, so they will be the perfect fit for a cotton ball to cover up later.
4. Now you are ready to countdown to Christmas! Hang the Santa face somewhere your child will easily see it. Each day your child will glue a cotton ball over the day, filling Santa's beard. When Santa's beard is full and all the numbers are covered, it's Christmas day!

Charity Christmas Hampers

Can you help us bring some Christmas cheer to families in need this festive season?

One of our goals at Anne Hamersley Primary School is to teach our students the virtues of caring, generosity and charity. In this spirit, we are asking each student to help fill their classroom hamper, by donating food and Christmas goodies. Hampers will be distributed to families in need, through the local charity organisation, E'Co - Pay it Forward.

Below is a list of suggested items for the Christmas hampers:

- Christmas cake, mince pies, puddings
- Tinned ham and tuna
- Baked beans & spaghetti
- Coffee, milo & tea
- Pretzels, chips, twisties & cheezels
- Canned vegetables
- Canned beetroot
- Canned fruit
- Jelly crystals
- Biscuits
- Christmas treats and snacks
- Nuts & dried fruit
- Toiletry items
- Breakfast cereals
- Long life milk, cream and juice
- Pasta and simmer sauces
- Spreads & jams
- Christmas bon-bons / crackers

*****Please no, perishable, frozen, melt-able, out-of-date, or opened items.*****

Could all items please be brought in to school no later than Friday the 7th of December.

STEAM WORKS

SCHOOL HOLIDAY PROGRAMS

We believe that school holidays should be fun, but also have positive learning outcomes too. With our upcoming Holiday Club, **STEAM Works**, we have both of those covered!

Here are a few of the activities that we're looking forward to:

Silly Science

Get silly, get a little mad as we partake in some SUPER science experiments! Holiday Club will become a lab as we experiment with slippery slime and creative cartesian divers while developing kids' deductive reasoning.

Build It, Win It!

Soccer is "The World Game"! This day is dedicated to fair play, engineering and crafting. Decorate your very own table-top soccer game, then give it a spin against your friends. After that, we'll head outside for soccer skills and games together!

Solar Races

Welcome to the Solar-Powered Garage! We'll be harnessing the power of the sun when we build and decorate our own solar technology powered vehicles from special kits. Once your vehicles are ready, we'll put them to the test with awesome distance challenges!

Book now. To find out when these activities are on during the school holidays and join in the fun, visit: www.campaustralia.com.au/holidayclubs.

Or you can call our friendly Customer Care Team on 1300 105 343 - 24 hours a day, 7 days a week.

We look forward to seeing you and your family during the school holidays.
