THE LANDING POST

A Newsletter designed to inform our growing school community of
Anne Hamersley Primary School

ROD W. SIMEONS - PRINCIPAL

Volume 4—Issue 11

Friday 26 July	Applications close for Kindy 2020 and PP 2020
Monday 29 July to Friday 2 August	Kindy health screening
Wednesday 31 July	Parent /Teacher interviews EARLY CLOSE 12 NOON
Thursday 1 August	Assembly Hosted by P4 and P5
Friday 2 August	Jump Jam Cake Stall

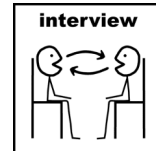

Dear Parents,

Welcome back to Term 3 of the academic year.

A perusal of the term calendar that accompanies this Landing Post will give you an insight into just how busy and exciting this term will be. As always all excursions, incursions, inter school involvement and activities designed to develop our children physically are carefully thought through to ensure that we are giving all children the opportunity to grow and develop, physically, mentally and socially.

TEACHER - PARENT INTERVIEWS

HALF DAY CLOSE – WEDNESDAY 31 JULY – 12 NOON

As you were informed last Term, we expect that the Reports we sent out last term have raised some questions in your minds. You are being offered an opportunity to ask your child's teacher these questions and more, to get a clear picture of how they are progressing. You are urged to make a booking for a 10 minute time slot anytime between 1.00 PM and 5.50 PM.

Please make arrangements for your children to be picked up at 12 Noon. If this is not possible, please contact Reception and register your child for supervision in the school Library by our specialist teachers. This supervision will be provided till 2.30 which is the official end of school time on Wednesdays.

QUOTE FOR THE FORTNIGHT

Don't judge each day by the harvest you reap but by the seeds you plant.

Robert Louis Stevenson

Best Wishes

R W SIMEONS
PRINCIPAL

REMINDER: EARLY CLOSE EVERY WEDNESDAY AT 2.30PM

www.annehamersleyps.wa.edu.au

BLUEPRINT FOR PARENTS TO BUILD SELF ESTEEM

POSITIVE TRACKING

- Model making genuine positive comments
- Model being positive about yourself
- Give your child positive feedback
- Improve your own self esteem

POSITIVE EXPECTATIONS

- Give them jobs , and expect positive outcomes
- Comment on the part of the job that was done well even if the child has failed.

PERSEVERE

- At first your child will not believe what you are saying about them – persevere

SEPARATE WHAT THEY DO FROM WHAT THEY ARE

- Don't allow your child to make general comments about their achievements/failures e.g. They may say they are terrible at sport, when what they should be saying is they are terrible at running.

ARRANGE OPPORTUNITIES FOR SUCCESS

- Find out about things your child is good at and put them in a situating where they have an opportunity to enjoy the success and show you that they can succeed.

TURN MISTAKES INTO POSITIVE EXPERIENCES

- If your child is having a negative experience, try and turn it into a positive one.

ENCOURAGE RISK TAKING

- It doesn't matter if a risk turns into a failure...let them have a go, and be there for them, waiting to turn a negative experience into a positive one.

Interschool Cross Country 2019

The annual Interschool Cross Country event was held on Wednesday 26 June 2019. This event was hosted by Guildford Primary School who would like to convey their thanks, particularly to those teachers and parents who stepped in to act as place judges.

Congratulations to all the students who represented Anne Hamersley Primary School and especially to Abraham Fofana who obtained first place in the Year 4 Boys division.

Cross Country 2019 Results

Stirling Division

Guildford Grammar	133 points
Eden Hill	114 points
Aveley	105 points
Maylands Peninsula	105 points
Edney	87 points
Anne Hamersley	77 points
Caversham	35 points

Swan Division

Guildford	180 points
Bassendean	126 points
Noranda	96 points
Lockridge	84 points
Bayswater	77 points
Woodbridge	65 points
Herne Hill	28 points

Scholastic Book Fair 2019

Thursday 15th – Tuesday 20th August

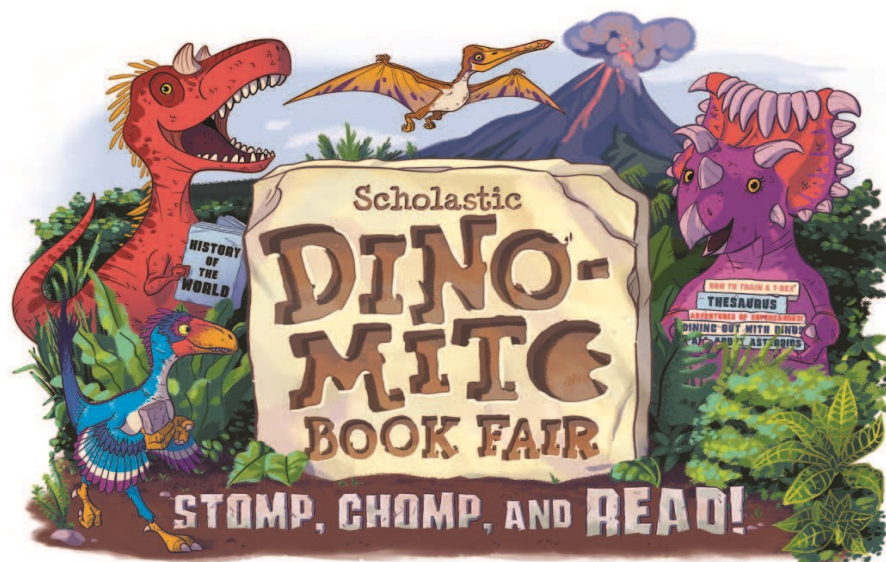

This term (week 4 & 5) we have the popular Scholastic Book Fair. This will be held in our school library and will coincide with our Book Week celebrations.

There will be plenty of opportunity to call in and take a look, purchase and even donate some wonderful books.

All of your purchases benefit the school with a % of sales going toward spending dollars to help the school to increase what is on offer in our library to both students and teachers.

Put this wonderful event in your diary and we look forward to seeing you there.

NAIDOC Day at Anne Hamersley Primary School

We had a fantastic day celebrating Aboriginal culture at our NAIDOC Day Fete. It was lots of fun participating in traditional cultural activities ran by each of our classes like boomerang making and throwing, basket weaving and playing Ngaka Ngaka (Tic Tac Toe). A highlight was having Mr Ian Wilkes teach us Noongar dances and playing the didgeridoo. We would like to thank all the parents that joined us at lunch and assisted on the day.

Anne Hamersley's Got Talent!

Solve a Graph Puzzle

Coordinate planes? Four quadrants? Ordered pairs? These are terms that make students in the middle grades uneasy. However, with practice, graphing on the coordinate plane can be an enjoyable activity. Year 5 grade students understand positive and negative numbers so graphing on the four quadrants is a way to apply this knowledge to solve a problem. Using ordered pairs to create geometric figures is like solving a puzzle!

By practicing graphing skills, students are increasing their visual thinking and problem solving skills. Here's a fun, geometric puzzle activity that will capture your child's interest and strengthen his number awareness.

What You Need:

- Graph paper
- Pencil
- Ruler

What You Do:

(2,2), (2,4), (3,5), (4,4), (4,2)

1. Using graph paper, help your child draw a four quadrant plane. Label the x-axis (the horizontal line) and the y-axis (the vertical line). Label the intersecting of both lines 0. Label each point to the right on the x-axis 1 to 7. Label each point to the left on the x-axis -1 to -7. On the y-axis label the points up with positive numbers, 1-7, and then label the points down with negative numbers, -1 to -7. If using the printable Coordinate Plane worksheet, print out and review the x-axis and y-axis
2. Give your child these ordered pairs and ask him to plot them on the coordinate plane:

(0, -2), (1,-3), (2,-2), (2,-4), (1,-5), (-1,-5), (-2,-4), (-2,-2), (-1,-3)

3. Remind your child to plot the first number of the ordered pair on the x-axis and the second number of the ordered pair on the y-axis.
4. Next, have your child take a ruler and connect the 5 points. Ask him what geometric shape he created (a pentagon).
5. Give your child another set of ordered pairs to graph:

(-2,3), (-3,5), (-4,6), (-5,5), (-6,3), (-4,4), (-2,5), (-6,5)

6. Have your child connect the 9 points and describe the shape he has created (a tulip)
7. Here's a challenging puzzle for your child to solve. Have him plot this set of ordered pairs:

This time it is important to connect the points in the order shown. If each ordered pair is graphed accurately and each point is connected in the given order, he will have created a five-pointed star!

Maths Mania

Put these amounts of money in order from **smallest** to **largest**.

2020 APPLICATIONS

In Western Australia, children can start their education in Kindergarten, however compulsory schooling starts the following year in Pre-primary. All children of compulsory school age must be enrolled in school and attend every day—this is the law.

You need to apply to enrol your children in school for 2020 if they are:

- ◆ Starting Kindergarten—4 years old by 30 June 2020 Starting Pre-Primary, the first year of compulsory school—5 years old by 30 June 2020
- ◆ Starting Year 7, the first year on secondary school
- ◆ Changing schools

The closing date for all Applications is Friday, 26 July 2019. Please note Applications for Enrolment are not to be confused with Enrolments. All applicants will be contacted shortly after the closing date advising if their application has been successful and invite them to return and complete enrolment forms.

**PLEASE HELP US CREATE
A SENSORY PATH
Can you get or donate...?**

- pebbles & rocks
- decking
- wood poles
- pavers
- bricks
- tyres
- tiles
- rope
- shell grit

If you can help, please see
Mrs Griffin in A1 or
Miss Anderson in A4.

Welcome back!

Welcome back to Term 3, can you believe how quickly this year has flown by? We are ready to kick start an even bigger and better second half of the year working within your school community. We know how busy yet fulfilling being a parent can be, and we want you to know we are here to help make your life a little easier.

This Term, we will be celebrating **National Science Week from the 12th to the 16th of August**. This event is about generating curiosity around technology and science in the world we live in today. To ensure your child doesn't miss out on all the fun, we suggest making your bookings in advance. You can visit our friendly staff at your service to find out more information on what they will have planned for National Science Week.

Not yet Registered? Don't worry, it's never too late. Plus, it is FREE to register.

To attend our care, you must register your child. You can register an account with us at pp.campaustralia.com.au/account/login. Remember, you may be entitled to receive the Australian Government Child Care Subsidy, visit www.mygov.com.au to find out more.

Program Details

For more information about our program and fees at your school, visit us in service and chat with our qualified Educators. Alternatively, you may visit our website www.campaustralia.com.au or contact our friendly Customer Care Team on 1300 105 343 who are available 24 hours a day, 7 days a week - except National Public Holidays.

We look forward to seeing you and your family soon!
