

THE LANDING POST

A Newsletter designed to inform our growing school community of
Anne Hamersley Primary School

ROD W. SIMEONS - PRINCIPAL

Volume 4—Issue 12

Dear Parents and Guardians,

THANKS TO ALL THOSE WHO ATTENDED OUR SPECIAL HALF DAY CLOSE INTERVIEWS.

The early close parent interviews were well supported by our parent community. Statistics compiled at the end of the day indicate that our ever hard working teachers conducted 318 interviews during the course of the afternoon and evening. This represented 65% of the school population.

From all reports to me by both staff and parents, the interviews were conducted in a friendly, informative mode and our children will continue to be well supported because of the exchange of information.

Thank you to teachers for your thorough preparation for these interviews and to our parents who reorganised their busy schedules to attend.

We have established this tradition since the school was founded in 2016 and it never disappoints.

INTER SCHOOL CROSS COUNTRY

Congratulations to all our children who have been selected to represent the school. The competition will be held at Aveley North Primary School, 77 Strinesdale Boulevard Aveley, this Friday 9 August commencing at 9.15 AM. The course is somewhat different from our "bush" run. The children will use the footpaths surrounding the school and at one stage will run down the school verandas. Please do come along and cheer on your children as part of the school team.

REMINDER: EARLY CLOSE EVERY WEDNESDAY AT 2.30PM

SPEAK-UP COMPETITION

Our third annual Speak-Up Competition was held on the 25th of July. Fifteen students from Year 4, 5 and 6 were selected by their teachers to compete in this competition. They spoke on a wide range of topics, including bullying, device addiction, global warming and racism. Congratulations to the top three speakers, who will now get to compete in the inter-school competition.

MRS SALOMON
YEAR 6 TEACHER

1st Place: Melissa Clohessy	Kaziah-Lee Wawatai	Georgina Nelson	Shuvekha Siva Peragasam
2nd Place: Daniela Schiaffini	Victoria Andrade	Anais Pellicciotta	Heshikka Siva Peragasam
3rd Place: Kari Gutierrez	Perleen Mahal	Tia Morris	Cobey Farrell
4th Place: Tobias Donnelly	Kyah Geary	Ella Simpson	

Scholastic Book Fair 2019

This Term (week 4 & 5) we have the popular Scholastic Book Fair. This will be held in our school library and will coincide with our Book Week celebrations.

There will be plenty of opportunity to call in and take a look, purchase and even donate some wonderful books.

The **Book Fair** will be **open** for viewing and sales inside our school library at the following times:

Thursday 15th August - Tuesday 20th August
Thursday 15th is our Grand Opening from 8:20am – 10:30am
Mornings 8:20am – 9:00am
Afternoons 2:45pm – 3:30pm

On Thursday 15th and Friday 16th August the students will have an opportunity to come through with their classes and make a little wish list. This list will then be sent home, to help make your purchasing choices a bit easier. There are also details on the back of this wish list providing information on pre-payment if you cannot make it in to the Fair.

Please also be aware that there is an opportunity to donate books to your child's classroom resources. Look out for the special board to find your teacher's wish list and you can arrange your donation through the sales staff.

Remember – All purchases help to encourage further reading at home and a % of sales will also benefit the school.

We look forward to seeing you there. Happy Shopping.

IN-TERM SWIMMING LESSONS for students from Year 1 to Year 6

Lessons commence this term
Weeks 7 & 8, on Monday, 2nd to Friday, 13th September 2019

\$64.00 per student due by Monday 19th August.

Payment can be made by Direct Deposit, Cash (correct money only as change will not be given) or by EFTPOS (available in office only).

School Banking

A reminder that school Banking is on every Tuesday in the Library from 8:20am. Pop in and see Jen & Jo if you would like to join your child up for the Commonwealth School Banking Program.

ICY POLE FRIDAY

Icy Pole Friday is every **FRIDAY!**

Available for all year groups, \$1 Icy Poles and \$1 Juice Boxes. At lunchtime from the canteen.

REQUEST FOR NEW MEMBERS WE NEED YOU!

The P&C are looking at running some exciting new events in the coming months BUT we need your **HELP!!!** We need your new ideas and suggestions, if you would like to see something different within the P&C let us know.

NEXT P&C MEETING

After a discussion with Mr Simeons the next P&C meeting will be held on the **27th August 2019** after school drop off at 8:45 in the Staffroom. So far we have not had enough expression of interest to have an evening meeting as we need to have a minimum of 10 members in attendance to hold a meeting.

Many hands make light work, together we can achieve anything!!

To stay up to date with events and requests for volunteers or to contact us at any time, please visit and like our Facebook page <https://www.facebook.com/Anne-Hamersley-Primary-School-PC-Association-Inc-1558093001148025/> or send us an email at AHPS_pandc@hotmail.com

CEREAL PATTERNS

Practice patterning the fun way—by playing with your food! Using a Fruit Loop-type cereal and yarn, help your pre-schooler create crunchy, edible patterns. Start with a simple ABC pattern and work your way to more complicated patterns as she works on small motor skills and her understanding of patterns. And she can nibble while she works.

What You Need:

Fruit Loops or other loop-shaped cereal in a variety of colours
Small bowls or cups
Scissors Yarn or string Masking tape

What You Do:

1. Have your pre-schooler sort some of the cereal by colour, putting each colour in a separate bowl or cup. She can also do this on a plate or cutting board.
2. Help her cut three pieces of yarn, each just over one foot long. Wrap one end of each piece of yarn with masking tape to create a needle.
3. Have her gather groups of cereal pieces in three different colours. Can she lay out an ABC pattern on the table? Get her started threading this pattern onto the yarn. Encourage her to thread at least 6 repeats.
4. If necessary, sort more cereal!
5. What other patterns can she make? Ask her to again choose three colours of cereal. Now have her string an AA BB CC pattern, again stringing several repeats.
6. Now it's your turn! Choose three different colours of cereal. On the table, lay out an A BB CCC DDDD pattern. Ask your child to describe the pattern to you. Now have her string an A BB CCC DDDD pattern of her own.
7. When you're all done, strung cereal can be hung outside for the birds or unstrung and munched by your young pattern maker.

MATHS MANIA

Complete the ratio table.

21	9
28	12
<input type="text"/>	15

MR GUY

DEPUTY PRINCIPAL

Anne Hamersley Primary School

Welcome to the Sustainability Corner

Firstly, the Sustainability committee would like to thank and commend all the **Waste Warriors** on the great job they are doing around our school, it is looking fabulous.

New Ideas: Help your House to gain an extra 20 points

WASTE FREE WEDNESDAYS

Last Term saw O1 trialling Waste Free Wednesday and it has been a great success. Now it's time for the whole school do this.

Did you know?

Each **PERSON** in WA produces around **2.4 tonnes (2400 kilograms)** of waste each year. This means that an average household could fill an entire three-bedroom two-bathroom home each year with this amount of waste. That is a lot of waste to be piling into our landfills each year.

Anne Hamersley is proud to announce that we will be launching 'Waste Free Wednesdays' to do our small part for the community. Each Wednesday students will be encouraged to bring their recess and lunch **WASTE FREE**. This means no packaged foods or plastic.

HANDY TIPS:

- ✓ All you need to get started is some reusable containers and a reusable drink bottle.
- ✓ Avoid buying packaged items
- ✓ If you do buy something packaged, instead of buying many small packets of the same item, buy a large packet of the item and put a small amount into a reusable container each day.
- ✓ If you enjoy baking, bake some snacks for the week and freeze- then place into a reusable container.
- ✓ Sandwiches can be placed into reusable containers instead of being wrapped in cling wrap.
- ✓ Fruit is always a go-to healthy lunch box snack! (Fruit cores and skins are okay to bring on Waste Free Wednesday!)

Some snaps from Orelia 1's Trial of Waste Free Wednesdays in Term 2

An average of 21/28 Year 5 students were coming to school with WASTE FREE recesses and lunches.

The sustainability committee would like to see **all classes** adopting a **Waste Free Wednesday**. It is really easy to do, packed lunch cannot contain any packaging and use re-useable containers that can be taken home

Bread clips - you know those little bread clips that hold the bread bags together???? Well we want you to collect these please. **WHY** we hear you ask. Well the plastic that is used to make these clips is a high grade and is perfect for using to make prosthetics.

Ring Pulls - Did you know that the metal used to make the ring pulls and the cans of fizzy drinks can be used to make a wheelchair for kids. According to United Nations World Health estimates, wheelchairs are desperately needed around the world for millions of severely disabled children throughout under-resourced countries of the world.

Wheelchairs for Kids (WFK) is an organisation whose mission is to manufacture and distribute wheelchairs to some of these children assisting them with the means to raise them off the ground from where they are presently confined, and gain a new level of freedom and mobility. Approximately 340 wheelchairs are produced every month (approximately 3550 per year) and they are then subsequently distributed worldwide to these needy children.

So, come on and support these worthy causes.

The bread clips and the ring pulls can be found in the science room.

On a last note, Mrs Walker is a little disappointed in the number of batteries that are being collected, come on Anne Hamersley we can do better.

These tips columns are provided for use in newspapers, magazines or newsletters.

Conditions of use:

1. These tip columns may not be edited in any way and the text must appear in full.
2. Credit must be given to the author, Professor Matt Sanders, Triple P – Positive Parenting Program.
3. These are for print and online publication (eg. newspaper hardcopy and website, school newsletter, magazine etc) but should not be loaded to social media (Facebook, Twitter, Instagram, etc.)
4. The columns should be published one at a time and not in groups within the same hardcopy newspaper, magazine or newsletter. They may not appear under a common blog category or tab online.

Positive Parenting

By Professor Matt Sanders

As a parent, you want to do the best for your child, but how do you know what's right? What do you do when your child answers back? Or is being bullied at school? Or starts telling obvious lies?

Over coming weeks in [NAME OF PUBLICATION (your newsletter)], I will share some of Triple P's proven tips for the best ways to handle common behavioural and developmental problems in children. From battling disobedience to encouraging homework routines, I'll cover those everyday issues to help you work out some strategies to suit your family.

I'll highlight common "parent traps" and hopefully make the very important job of raising kids as enjoyable and rewarding as possible.

But remember, parenting is sometimes hard work and it may take time to tackle more difficult problems. The good news is that help is always at hand.

Throughout (town/state) (insert details about your regional rollout here) are offering parenting support with Triple P, one of the world's most highly-regarding parenting programs.

Professor Matt Sanders is founder of the Triple P – Positive Parenting Program®. For more information go to www.triplep-parenting.net or (INSERT LOCAL CONTACT DETAILS/INFORMATION HERE).

COMMUNITY NEWS

Look what we have planned for National Science Week at your Outside School Hours Care service!

National Science Week is happening next week at your **[Before School Care / After School Care] service at, Anne Hamersley Primary School** between the 12th and 16th of August.

We have worked hard to tailor our program around various science and technology activities, to meet the interests and needs of the children that attend our care.

Sound like fun? Check out our tailored daily program for National Science Week below:

Monday 12 th	Tuesday 13 th	Wednesday 14 th	Thursday 15 th	Friday 16 th
Kaleidoscope inventions	Tornado in a jar	Making our own pizza	Snowstorm in a jar	We will turn milk in to a plastic by mixing vinegar and milk.
Fizzi Painting	Having fun with Musical instrument	Glitter germ science	Dancing competition	Rain Cloud in a jar

Join in the fun at our OSHC program today. Did you know it's free to register an account with us? To book in for National Science Week or for more information on our program, visit your school's page at www.campastralia.com.au

Furthermore, you can contact our friendly Customer Care Team on 1300 105 343. The team are available 24 hours a day, 7 days a week – except National Public Holidays.

We look forward to exploring science with you and your family soon!

Drums, Keyboard & Guitar Lessons
On School Campus!

Instrumental Music Programs – On School Campus!

- Please **ENROL TODAY** – via PMI's website OR enrolment forms available at your school front office
- Lessons are held once per week on school campus – with lessons outside of school hours

Drum Ensembles

- \$8.95 per child per ensemble (15-25 students for 30-45 minutes during recess / lunch)
- Exciting drums program starting with "bucket drums" – a loud ensemble that builds rhythm, requires teamwork and sounds incredible!
- PMI teachers supply percussion instruments for ensembles

Keyboard & Guitar Lessons

- \$15.95 per child per small group lesson (2-5 students for 30 minutes)
- Our small group lessons provide a fun and affordable opportunity to learn instrumental music
- Private lessons also available (\$32.95 per child for 30 minutes)
- Learning plan for all students via "PMI Stars" program – structured objectives with progress visibility
- PMI teachers supply keyboards and textbooks for keyboard lessons (students bring their own guitars)

- Ten minutes per day of practice at home is all that is required to see improvement!
- Instrumental music can improve your child's school results – including for reading, maths, coordination
- Limited spaces available – so please enrol ASAP
