Dear Parents and Guardians,

## COLOUR RUN – FRIDAY 25 OCTOBER

The colour run conducted by the P&C Association on Friday was a resounding success. The children were enthusiastic and had a fun filled afternoon. Many thanks to all parents and friends who supported this activity financially through sponsorship. Prizes will arrive soon ...something exciting for the children to look forward to.

Sincere thanks to our P&C organisers – President Amy Bond and her team of ever willing helpers.

Our photo gallery will give you an idea of the setup and the children enjoying themselves.

## PARKING – PICKUP AND DROP OFF

Parents and guardians are asked to abide by our parking rules. The picture below shows how our children can be endangered by thoughtless parking. The car has been abandoned, parked across a cycleway on campus designed for our children to be safe. The child squeezing past the car could easily have decided to ride on to the car park getting seriously injured.

## OFFICIAL MOBILE PHONE POLICY

This week, the State Government announced a new Student Mobile Phones in Public Schools policy to take effect from the start of Term 1, 2020.

The policy requires all public schools to implement a ban on the use of mobile phones for all students from the time they arrive at school to the end of the school day. This extends to the use of smart watches which need to be on airplane mode during this period.

As we already have a phone use policy that meets these minimum requirements, there will be no changes for our school. Our existing policy will remain in effect.

## Wow what a great start to Term 4 for Science.

Week 2 saw the long awaited Scitech Challenge arrive with the team meeting up with Mr Simeons at the start of the challenge. Introductions were made because there were 10 schools participating in this challenge, before the teams set off for the planetarium, whilst the teacher and parents refreshed with tea and biscuits. Then the hard work began. The teams were divided up into three large groups to begin their challenge. The day was very fast paced with lots of brain-storming. At the end of the day a prototype was created that would improve another school's ability to find their way around their school.

Week 3 welcomed the Scitech science incursion with the Space Dome and Workshop. The first day was very successful. Students learnt all about the constellations, how to find the Southern Cross, Milky Way and about Day and Night.

During the workshop students talked about scientists landing on Mars and their job was to create a windproof shelter that could survive the huge windstorms that occur on Mars

*Wise words for the fortnight.....*

*"In judging our progress as individuals, we tend to concentrate on external factors such as one's social position, influence and popularity, wealth and standard of education ...but internal factors may be even more crucial in assessing one's development as A human being: Honesty, sincerity, simplicity, humility, purity, generosity, absence of vanity, readiness to serve your fellow men - qualities within the reach of every soul."*

## Jump Jam Champions!

On Saturday the 19th of October, the Anne Ham Jammers competed in the annual Perth Jump Jam competition. They were in the Years 4-7 Challenge section. This was the third time our school has competed in this competition.

The girls have practised from the start of the year, and four times during the recent school holidays. Their hard work payed off, as they won! They achieved excellence in creativity, presentation, technical execution and sportsmanship, as well as merit in costumes.

We would like thank Mrs Bosman, Mrs Pearse, , Ms Hopping and Mrs Barker, who all helped with creating the costumes, as well as the girls' parents who have continued to support us, and Mr Simeons and Mrs Bell.

The girls' next performance will be at Christmas in Elfenbrook on Saturday the 14th of December.

### *2019 Tea Towel*

This year the P&C are launching a 2019 Anne Hamersley Primary School TEA TOWEL!

Last term with the enormous help of Mrs Oliver we managed to get the students to draw a picture of themselves or a handprint and they have been screen printed onto a cotton tea towel.

As we have a lot of students, we needed to design 2 tea towels with Amity and Calista on one tea towel and Parmelia and Orelia on another. Order forms have been sent home and are now due back by Thursday 31/10/19 so we can get them

ordered and back in time before school finishes for the year. There are spare order forms in the office, and we do need a minimum order of each Tea Towel to go to print, remember Christmas is coming, who wouldn't want a pressie with your child's picture on it?

## *AHPS Colour Explosion*

What a fantastic Colour Explosion we had last week!

I would like to thank everyone that supported this event either through fundraising or helping on the day, it was great to see the students having so much fun and the parents looked like they were enjoying themselves too.

All money raised should now be returned to the school. You have until Friday 01/11/19 to order your prizes online or return your fundraising form to the office with your prizes filled out.

Updates from your P&C Association

2019 Anne Hamersley Primary School P&C Committee

I would like to take this time to congratulate AHPS P&C, we are a very small cohort of ladies, but you volunteer a lot of your time and put so much effort into arranging such wonderful events. There was a lot of planning that went into the colour explosion from printing out forms and delivering pamphlets to classes, to filling bottles with powder colour and moving tables and obstacles to and from the oval. In the lead up we had to make sure each class had the right number of headbands and glasses and the task to get water onto the oval and now after the event lots of paperwork to order prizes. Congratulations AHPS P&C you are amazing.

A reminder that **School Banking** is on every Tuesday in the Library from 8:20am. Pop in and see Jen & Jo if you would like to join your child up for the Commonwealth School Banking Program.

## Icy Pole Friday

Icy Pole Friday is every FRIDAY!

Available for all year groups, \$1 Icy Poles and \$1 Juice Boxes. At lunchtime from the canteen.

## NEXT P&C MEETING

The next P&C meeting will be held on the **Tuesday 26th November 2019 at 3:10pm** in the school library. This will be the last P&C meeting for 2019, if you are interested in joining the P&C there will be information available on the rolls that will be available for the 2020 year. We understand that everyone is busy, however if you can volunteer your ideas and suggestions or even your time on the ODD occasion it would be greatly appreciated, and then you are able to have a voice within the P&C. If you have little children they are more than welcome to come and if you can't make every meeting that's okay we will keep you in the loop.

Many hands make light work, together we can achieve anything!!

## COUNTING COINS GAME

Learning to count change is tough because it involves addition (with decimals!) and remembering that certain coins have specific values. Help your child become a master money-counter with this simple game. All it takes is half an egg carton, a handful of coins, and some construction paper. Soon you'll be tossing paper wads into egg carton cups, adding money values and totalling scores to determine the winner!

### **What You Need:**

- Half an egg carton (6 attached cups)
- 6 coins including a 10 cent, 20 cent and 50 cent coin
- Scrap paper in two colours
- Notepad
- Pencil

### **What You Do:**

1. Place a coin in the bottom of each egg cup.
2. Ask your child to help you make paper wads out of the coloured scrap paper for this tossing game. Each of you can pick a different colour paper and make 6 paper wads.
3. Explain that you are going to take turns tossing your paper wads into the egg cups. Then you will count your points. The number of points for each cup is determined by the coin in the bottom—1 for 10 cent, 5 for a 20 cent, etc.
4. First, let your child toss a paper wad, and then it's your turn. Keep going until you are both out of paper wads.
5. Now, add up your score, explaining it as you go: "I got two in the 10 cent, that's two points. Then I had one in the 20 cent cup, 5 points."
6. Have your child take a turn now. Encourage her to add up her own points. Who's the winner? As you play, ask your child which is better: the cup with the highest score or the cup that is easiest to hit? It may depend on which coin is in which cup.

## MATHS MANIA

During the summer, customers buy 573 swim suits from a department store. During the rest of the year, they buy 686. About how many swim suits are sold in all? Choose the better estimate.

**Fletcher Brookes from Orelia 1 preparing for 'Waste Free Wednesday' the yummy way!**

Just a reminder to families that we encourage all students to come to school with a 'Waste Free' lunchbox on Wednesdays! We have heard of a lot of families baking yummy and healthy waste free treats over the weekend to freeze, and then placing them in re-useable containers for school lunches throughout the week. What a wonderful way to remain Waste Free!

## SCHOOL PHOTO DAY IS COMING!

Thursday 14<sup>th</sup> and Friday 15<sup>th</sup> of November

Dear Parents,

Our school photo day is coming! Approximately two weeks prior to the photo day every student will receive a Kapture Photography personalised flyer to bring home. The only method of ordering your photos is online through Kapture's website as your payment is secure and can be easily verified at any time

***SIBLING ORDERS CAN ONLY BE PLACED ONLINE: Late requests cannot be granted.***

You have the option to order a sibling photo package online, however please note sibling orders will close in most instances @midday sharp at least one business day before the first photo date. We suggest you place your sibling order as soon as you receive your flyer with your order instructions as places are limited.

**Log on to [kapture.com.au](http://kapture.com.au) for your sibling photo order cut-off date and time.**

You can place an order online for class or individual photographs at any time for the remainder of the current school year. However, a \$15 fee will apply if you order more than 10 days after photography.

If your child is in a special group photo, you can use the same school code on your information flyer to view and order these photos on Kapture's website, around the time that school photos are ready to be delivered. Please note class groups, individual and sibling portraits are not available to view online.

Kapture offer a money back guarantee for any parent who is not fully satisfied with their photo package. Should you have any queries before or after photo day, please direct them to the Kapture office on 9240 1714 or email [enquiries@kapture.com.au](mailto:enquiries@kapture.com.au).

*All students will be photographed individually on photo day for school administration records AS WELL as included in their class group photo available for purchase to all families. Should there be any reason why your child should **NOT** be included in the photo shoot -please contact the school office.*
