Dear Parents and Guardians,

You should receive this Landing Post, just before the commencement of our cross country run. Details are set down below.

YEAR 3 - 6 INTER HOUSE CROSS COUNTRY RUN - THURSDAY 13 JUNE 2019

This year the cross country run will be conducted off campus. The special course will see the children running through the bush area along Wilding Boulevard. The start and finish line is near the public BBQ area directly opposite the school on Dunnett Drive. The surface on the outward leg of the 750/1000 metre course is a wood chipped path and the return leg will be along the cycleway along Wilding Boulevard

You are invited to come along, line the course, and cheer your children on. Event times are as follows:

Race commences for Year 3/4 12.40 PM

Race commences for Year 5/6 1.40 PM

Children will assemble at 12.20 on the oval to walk over to the start line which is adjacent to the BBQ area and gazebo on Dunnett Drive directly opposite the school

LUNCH TIMES SLIGHTLY AMENDED TO CATER FOR THIS EVENT.

Medallions will be awarded to winners and a House Cross Country Shield will be presented to the winning House on the day.

QUOTE OF THE FORTNIGHT:

Laughter gives us distance. It allows us to step back from an event, deal with it, and then move on.

REMINDER: EARLY CLOSE EVERY WEDNESDAY AT 2.30PM

www.annehamersleysps.wa.edu.au

IF YOUR CHILD IS SICK, PLEASE KEEP THEM AT HOME UNTIL THEY ARE BETTER.

Sharing germs, leads to more children getting sick and sick teachers too!

How sick is too sick?

1. Fever-hot to touch
2. Coughing that won't stop
3. Bad pain
4. Vomiting or diarrhoea
5. Contagious

Now that the flu season has hit us, we must be super vigilant with our **HYGIENE**.

Key points to remember

- Cover coughs and sneezes
- Avoid touching your eyes nose and mouth
- Wash your hands often
- Stay home if you are sick
- Stay away from others that are sick
- Clean your house regularly especially kitchen sponges, tea towels, phones, sinks, taps, toilets and bedding.

Don't forget to

- Get plenty of sleep.
- Eat well, with lots of vegetables and fruits. Drink lots of fluids.
- Exercise regularly.

ICE CREAM MATH

Ice cream might be fun and yummy to eat, but it can also be used as a treat that will get your child excited about practicing important math concepts! In this activity your child will build ice cream cones as she practices her counting skills.

What You Need:

- Large piece of white paper
- Brown construction paper
- Construction paper of different colours
- Glue stick
- Scissors
- Pencil
- Marker

What You Do:

1. Cut 9 small ice cream cones out of the brown paper. They should be small enough to all fit on the white paper.
2. Cut out 45 circles that are small enough to fit on the cones.
3. Number the cones 1 through 9 with the marker.
4. Glue the cones in numerical order on the white paper.
5. Help your child glue the correct number of "scoops" of ice cream on top of the cones.

When your child is done, she will have counted to 9 and created a group of colourful ice cream cones that visual represents each number. You can celebrate afterwards with real ice cream or frozen yogurt.

2020 APPLICATIONS

In Western Australia, children can start their education in Kindergarten, however compulsory schooling starts the following year in Pre-primary. All children of compulsory school age must be enrolled in school and attend every day—this is the law.

You need to apply to enrol your children in school for 2020 if they are:

- ◆ Starting Kindergarten—4 years old by 30 June 2020
- ◆ Starting Pre-Primary, the first year of compulsory school—5 years old by 30 June 2020
- ◆ Starting Year 7, the first year on secondary school
- ◆ Changing schools

The closing date for all Applications is Friday, 26 July 2019. Please note Applications for Enrolment are not to be confused with Enrolments. All applicants will be contacted shortly after the closing date advising if their application has been successful and invite them to return and complete enrolment forms.

Starting or moving schools – immunisation records

Why is immunisation important?

Some diseases, like measles and mumps, can be very serious for children, and other people in the community.

In places where people are in close contact, like schools, diseases can spread fast.

Help protect your child by making sure they have had all their immunisations.

Free vaccinations are available from your doctor, local immunisation clinic, Aboriginal community health services, and the Central Immunisation Clinic.

healthywa.wa.gov.au/immunisation

What do I have to do when my child starts school?

When your child starts school, you need to give the school your child's Australian Immunisation Register (AIR) Immunisation History Statement.

This is required so that WA Health can provide support to parents/guardians of under-immunised children, as well as to enable schools to help reduce the spread of vaccine preventable diseases.

What is an AIR Immunisation History Statement?

An AIR Immunisation History Statement is a record of your child's immunisation history.

How do I get a copy of my child's AIR Immunisation History Statement?

A copy of your child's Immunisation History Statement is posted to you when your child completes their childhood immunisation schedule.

You can also access a statement at any time by:

- logging into Medicare online via MyGov (<https://my.gov.au>)
- using the Medicare Express Plus app (www.humanservices.gov.au/customer/services/express-plus-mobile-apps)
- visiting a Medicare or Centrelink office, or
- calling the AIR General Enquiries Line on 1800 653 809.

When do I need to give the school my child's immunisation history?

Whenever your child enrolls, the law says that you must give the school your child's Immunisation History Statement. This includes enrolling your child into:

- a kindergarten program
- pre-primary
- secondary school
- a new school.

What if my child was vaccinated overseas?

Overseas immunisation records must be verified and recorded in the child's AIR profile by an Australian immunisation provider. This update in AIR may take up to a few weeks. Following the update to the child's AIR record, parents can then access an updated AIR Immunisation History Statement.

What if my child is fully vaccinated but their AIR Immunisation History Statement is missing vaccine records?

If you think a vaccine record is missing from your child's AIR Immunisation History Statement, please ask your vaccination provider to update the AIR.

Alternatively, please email a photo of your child's vaccination records to your local public health unit and the AIR records will be updated accordingly.

What if I have not immunised my child for medical or other reasons?

You are required to provide a copy of your child's Immunisation History Statement on application for enrolment into a kindergarten program or school, even if your child has not been immunised.

What We Have Planned in Our OSHC Program

We've been trying new activities in our OSHC program recently, including Sack Racing competitions, using the school computers, we encourage older children to investigate facts about animals. We are having fun as well playing tennis table, numbers in learning Spanish

The children have led the way in exploring these activities, having lots of fun and sharing ideas along the way.

Children share the information that they have found with everyone

We've got more planned next week:

Monday	Tuesday	Wednesday	Thursday	Friday
Today we will make a mess with Slimc	Today we will work as a team in Relay Race	Wednesday is our cooking day we will bake scones	Leggo challenge	Make your own dinosaur fossil

Meet Our Team

We're here to make OSHC the best experience possible. If you have any questions about the program, feel free to drop by, meet our team and see what happens first hand in the program.

Register and Book Now

To register and book your child in our program, visit www.campastralia.com.au and use the school finder on our homepage to search for Anne Hamersley Primary School OSHC. To secure your child's spot, we always recommend making your bookings in advance.

We look forward to seeing you and your family soon!
