- ◇ Last Day for students

ASSEMBLIES

It was fantastic to hold our first assembly in a long time last Thursday and have the whole school come together again. We witnessed a brilliant performance by Orelia 1 and the smiling and proud faces of the Honour Certificate winners was a joy to see. It was also pleasing to see parents back attending. We have one last assembly for 2020 which will be hosted by Amity 5, Pre Primary. A reminder that only parents of Honour Certificate recipients and of the performing class are invited to attend.

DISCO

Last Friday the P&C held the annual disco. I would like to thank all of the P&C members who worked tirelessly to organise and coordinate the disco. I would also like to thank the many staff who stayed back to assist with the running of the disco. Without all of these wonderful people dedicating and volunteering their time, this event and other events would not occur for our students.

CLASS PLACEMENTS 2021

A reminder that class placement requests closed on November 6, late requests will not be considered. Class lists will be displayed on Friday 29 January from 12noon to 4pm. For confidential reasons these lists will not be displayed over the weekend. They will be displayed again on the Monday morning, first day of school, Monday 1 February 2021.

CAMP

The count down is on for the Year 6 students as they prepare for camp next week. The Year 6 students will depart Wednesday 2 December for Ern Halliday Recreation Camp and return on Friday 4 December. This should be a wonderful experience for all students as they participate in many fun filled activities. I am looking forward to attending and joining in with the students for some of these activities.

SCHOOL CAPTAIN AND HOUSE CAPTAIN SPEECHES

This week, selected Year 5 students will present their election speeches for School Captain and Councillors for 2021. Also nominated Year 5 students will present their House Captain speeches to their factions as they run for House Captain for 2021. The elected students for these roles will be announced at the awards ceremony on the last day of term.

CHRISTMAS CONCERT

We are pleased to announce that our annual Christmas Concert will go ahead as per normal on Tuesday 15 December. The concert will start at 5:30pm with classes performing Christmas songs and concluding at 6:30pm. The P&C has organised food vans which will start serving food at 4:30pm. We would love to see you all attend as we celebrate another school year. Students must only attend with an adult. For more information on the food vans please see Facebook. Once again I thank the enormous efforts of the P&C for assisting with this event.

AWARDS CEREMONY

We are still continuing with our end of year awards ceremony which will be held on the last day of school, Thursday 17 December. Due to restrictions, we will be holding two Awards Ceremonies. Parent attendance will be by invitation only, for those parents of students who are receiving awards, performing in the music ensemble and students elected for leadership roles for 2021. Classroom teachers will be in contact with these parents. Times for the ceremonies are as follows:

- ◇ 8:50am: Pre Primary to Year 2
- ◇ 9:50am: Year 3 to Year 6

TRANSITIONS

Over the next two weeks, all students will be participating in transitions to prepare them for 2021. Students will move to different classes and blocks with different teachers to participate in activities to prepare them for 2021. It is important to note that the class and teacher the students move too, is not necessarily their class or teacher for 2021.

UP AND COMING SUPERSTAR

We are proud to recognise another fantastic basketball star, Adamo Scriva who has just been selected to represent the East Perth Eagles in the under 12's State Basketball Championships. All of us at Anne Hamersley wish Adamo the best of luck for the championships.

SEMESTER 2 REPORTS

Reports will be emailed to you on Monday 14 December 2020. **PLEASE ENSURE THAT WE HAVE YOUR CURRENT EMAIL ADDRESS**, as incorrect addresses are the principle reason why reports are not received. You are advised to print a paper copy of the report to go in your child's personal file that you keep along with Immunisation records and Achievement Certificates. Alternatively, download the report and save it to an external hard drive as a record. Please note reports will only be available in your inbox for a few weeks, as it has an automated function attached that will make it unavailable after a period of time. It has also been brought to our attention that some reports are not being received because your computer may be dispatching them to the "Junk Email" folder automatically. This may be due to the settings of your preferred email software. Please ensure to check your "Junk Mail" folder first if you have not received your children's reports.

INTERSCHOOL ATHLETICS CARNIVAL

Selected students from Years 1-6 represented our school at the annual interschool athletics carnival. This was our first Interschool meet for the year and the students were eager to test their athletic ability against other students in the district. On debut were our new interschool shirts too!

It was a great day, but the most memorable part for me was our performance in the grand slam relay. The grand slam relay consists of a boy and a girl from each year level running in an extended relay. We held on to a slim lead on the last leg to finish 1st, which was an outstanding result for all involved. The cheering from our bay was electric, carrying Nathanael across the line!

There were some amazing individual performances as well with Elroy earning champion boy for the intermediate division and Giovanni earning runner up for the junior division.

Well done to all involved and a special thankyou to Mr Moir, Miss Chambers and Miss Hamer for helping out on the day and to all the parents in attendance who followed Ellenbrook Primary Schools guidelines for the day.

CELEBRATING NAIDOC WEEK

NAIDOC Week celebrates Aboriginal and Torres Strait Islander cultures and recognises the contributions made by Indigenous Australians. Students at AHPS participated in many rich cultural activities that built upon their knowledge and recognition of the First Australians.

The final event was a whole school fete that included hands on activities including art, craft and stories. We also had the opportunity to taste some Kangaroo sausages thanks to the amazing P&C!

INDONESIAN DANCE INCURSION

Students from Anne Hamersley Primary School were proud to participate in an Indonesian Dance and Cultural incursion last week. Dancers from Selendang Sutra Indonesian Dance Community performed various traditional dances from Bali, Jakarta, and Kalimantan for students. There were also various learning opportunities for everyone to learn about the Angklun, a traditional Indonesian musical instrument from West Java. It was heartening to see how engaged and enthusiastic students were during the question-and-answer session with the performers, playing with the Angklun in front of their schoolmates and how they enjoyed trying the new dance moves they learnt during the incursion.

Positive Parenting

By Professor Matt Sanders

SELF-ESTEEM

By Professor Matt Sanders

Children who have healthy self-esteem are likely to be happy, cooperative, and successful at school and make friends easily. They are fun people to be around because they are eager to learn and succeed, and because they cope with stress effectively.

However self-esteem doesn't come built-in at birth. As parents, it is important that we help our children develop a true sense of their own strengths and weaknesses.

Children who receive plenty of praise and encouragement feel good about themselves. A child who believes their parents have confidence in them by allowing them to do certain things by themselves will learn confidence. Telling your child you love them and spending time with them will help your child feel valued and cared for.

It is important also to encourage children to follow a healthy lifestyle. Regular exercise and good grooming habits help children develop a positive image of themselves. And when your child achieves at something you can let them know that they should feel good about such accomplishments — it is okay to be different and be good at different things.

Parenting Tip: Laughter really is a great medicine. Children who feel good about themselves laugh spontaneously, develop a sense of humour and learn to tell funny stories. Encourage your child to laugh by listening to their stories, playing games and having fun together.
