

ANNE HAMERSLEY Primary School

— An Independent Public School —
ABN 62 748 118 140

Friday 5 February 2021

Dear Parents / Caregivers,

After the recent Wooroloo bushfire, I am writing to provide an update about next week.

To ensure the safety of our school community, the Department's policy is that schools located in the Department of Fire and Emergency Services (DFES) Bushfire Emergency Watch and Act zone, remain closed.

Given that the alert status may change over the weekend, a decision whether our school will be open on Monday, 8 February will be made based on the DFES alert status as at 12 noon on Sunday, 7 February and subject to the school being declared safe and clean.

In the interim, an inspection is being undertaken to ensure our school is safe and clean and ready for students and staff to return.

I will provide further information on Sunday afternoon.

Kind regards,

Christiaan Moir
Principal
Anne Hamersley Primary School
